ALTOONA, PA., 15 Dec., 1866. GENTLEMON: The watches manufactured by you have been in use on this railroad fo we furnish watches as part of our equipment. es give us less trouble, and have word and do wear much longer without repairs than any watches we Lave ever had in use on his road. As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation; but as a class they never kert time as correctly, nor have they done as good service, as yours. In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

Respectfully, EDWARD H. WILLIAMS General Superintendent. American Watch Co., Waltham.

NEW YORK TENTRAL RAILROAD LOCOMOTIVE DEPARTMENT. WEST DIVISION, ROCHESTER, Dec., 24, 1866. GENTLEMEN: I have no hesitation in saying that I believe the great majority of Locomotive Engineers have found by experience that Waltham Watches are the most satisfactory of any for their uses .-They run with the greatest accuracy and steadiness, notwithstanding the rough riding of an engine, and as I have never known one to wear out, they must be durable. hope to see the time when Railway Compa-
