THE "HERALD" ON MILTON.

A ponderous article under the caption of "to let" appeared in the last Herald, of which we could not at first see the object. We thought at first that finding the Herald an unprofitable field of la- consider it our duty to allude. It is bor, and the task of demolishing the not necessary to be indecent to make Reform party a rather tougher job than fun, not is it for the benefit of young PUTTING THE HEAVY STONE, WEIGHT anticipated, that the Editor (?) of that boys to stop at every Hotel on Main-st., delectable sheet was about to resign and any means discountenance recreation Brown, 23 feet 4 inches. "let out" the job to another Hercules; and amusement for these festive occasbut we were undeceived by the following | sions, we look upon them as necessary paragraph:

"This House to Let," taken in con- indulging in vice. nection with another piece of paper fre- We were sorry also to observe so quently seen pinned up, (Bailiff's Sale); much drinking in Milton on the 24th. there is nothing gives the traveller or man | A man who becomes intoxicated, is in of business a worse impression of a place danger of life and limb, and does not than to meet these at every turn, right enjoy the day at all. In consequence of and left on the streets, and in every cor- the free flow of the "O be joyful" fightner in the bar-rooms of hotels, and ing was alarmingly prevalent, so as to whatever may have been the cause of disgrace not only the town but the his visit, whether for business or pleas, county at large. Although the result ure, the sensible man makes his stay as was that there was "nobody hurt" yet short as he possibly can. It affords us the effects remain, and in one case at pleasure to be able to say that the keen- least violence is likely to result again. hand, daily unavailing enquiries are be- taken at the door. Our space forbids ing made both for houses to do business | us to particularize, and when all did in and private use. We regret that well, it would be invidious to notice this cannot be said of all the villages in any without noticing all. the county, or even of our county town. Through the want of natural position, local wrangling or the baleful influence of the County Cadi it presents but a dull and forsaken appearance.

While we rejoice at the prosperity of Georgetown, we resent this gratuitous insult to Milton, which if not advancing 33 feet 2 in.; 2nd J. G. Stewart, rapidly is not receding, and merely re- Milton. quires good roads to make a desirable locality for trade. This we are likely sooner or later to obtain, and it will then be seen what our natural position is .-The "dull and forsaken" appearance ; the Herald saw when here was on the faces of the Chisholmites with whom he consorted, and perhaps he may feel feet 9 in.; 2nd G. Garvin, Esquesing. rather "blue" in consequence. Milton has a good natural position, and the influence of the "County Cadi" is more T. Wright, Trafalgar appreciated than the selfish but abortive efforts of the Oakville Cadi to take the County town to his own corner.
