No arm that wrought or plow'd Should ever toil in vain; The great should not be proud, The small should not complain The friendship of a friend Should last through good and ill And, constant to the end, Should guide the wanderer still.

All rulers should be just, And people should be wise, And swords and spears should rust, For lack of enemies. The triumphs of our time Should bless the poorest lot, And misery and crime Should die and be forgot.

## "The Boast of Heraldry."

How Noble Progenitors are Furnished Plebian Pretenders.

A New York correspondent of the of the Heraldry office in New York :

The Heraldry office has been estabvariety of people who are aspiring to a them at a glance.' requires only two or three men who can front on the avenue. look serious over a farce, a lot of old volumes full of shields, devices and mottoes, a lot of geneological trees

managed in this wise : aud makes known his errand. A bland and smiling person asks the

'Smithers,' is the answer. is an old family, Gaelic originally, but to the last limit of absurdity.

Smithers?'

applicant's name.

THE FLURRY'S

'Flurry? Ah, yes. Are you of the Scotch or English Furry? · Hang me if I know! It was what I came here to find out. I don't know nothin' about my ancestors, but my wife says she's got 'em, and that must have 'em too.'

are a very noble family, of full Norman who are not noted for strict honesty descent, DeFleury was the name before the Conquest, and for nearly a century and respectability, had a young girl reafter. I shall soon be able to trace siding with them, and who was to have your lineage from the battle of Hastings been married to one of the Waunchess to the present time.'

that she can git a crist on her carriage. very respectable. A party of young She's bullraged me about the darned men hearing of the circumstance, foolthing for a hull year.' \$20, Mr. Flurry. When do you want

your tree?' What kind o' tree? There's no use plantin' trees afore our house. The

worms allers kills 'em.' 'I mean your genealogical tree.' 'I never heard of that sort o' tree.

Is it anything like hick'ry?' 'My dear sir, I mean the line of your ancestors; who they were; what

Oyes, I understand now. But I should never think of calling that a

'When would you like to have your lineage, your ancestors made out?' 'O, any time will suit me. I've got the job off my hands, and the ole woman can look after the rest of the

· But it is well to fix a date. Do you care to have the papers made out before the end of next week?'

'No; take your time and do it well.' Be sure, we will. The price of the

work will be \$100."

trious martyrs.'

spot 'em. We want a few of that sort. ure had in her bosom apparently two out Patents for Inventions; Obtains In-At least Sarah Jane says so, and she halves of a large-sized Valparaiso squash corporation for Companies by Letters Paknows what's wanted much better than and, with a pair of boot heels some lint: Drafts and takes charge of Private Come on the 14th, Mr. DeFleury,

and you'll know all about your honorable ancestors.'

'Flurry's my name.'

' Yes, now; but the old family name into the bricks very much like the pall was different. Call on the day named or catch-drop in a vessel's capstan We and you'll find everything prepared.' elbowed our way through the curious Flurry and Mrs. Flurry called on the crowd to get in front of this gradually

of her ancestors lost his life in defending having such punishment inflicted upon | ers that he has for service on the the Black Prince at Crecy. her, but instead we found her with a usual terms one improved Yorkshire, and Flurry objects to that. He says he sort of well satisfied air, such as is ordon't want any niggers in his family, dinarily worn by shallow-brained wo-

men. Who the creature was or what and won't have them.

The man of escutcheons informs him that the Prince was the eldest son of Edward III., and called black from the or a bender. color of his armor, not of his complexion, which composes Flurry, who pays his \$100, and goes off in excellent spirits, having heard there were no darkies station.

among his ancestors, and because he goverment.

THE MAGINNIS FAMILY.

Mrs. Nancy Maginnis pays a visit to the office, and states to the manager that her family's genealogical tree had, been destroyed by fire one month before (she is from Southern Illinois, and never know who her grandmother was) and she is anxious to have it made out

'Maginnis! That is a pure Norman tenth centuries. The Maginnises were Temsford,' is the declaration of one of the clerks, after tumbling over half a dozen large and dusty tomes.

' Yes, that is the family name. dear old grandmother told me of the value of some of our family in the time of the I forget the king's name.' 'Ethelbert, I presume,' was the ready response. 'He was one of the Anglo Saxons and gave your line much

'Yes, he did. He was a very wicked man, that Ethelbert, and hate him ever now.'

'I see you have the true Norman spirit, madam, that never forgives an and an endless variety of other goods equally cheap, at the enemy of your house. I detect your Norman lineage in the peculiar curve of your nose (her nose is a confirmed pug) and the sparkle of your

'How skilled you gentlemen are in Cincinnatti Times has a racy description tracing gentle blood. Few persons could have told at first glance that I was of Norman extraction, and yet I am thoroughly such.'

lished here for many years, and is a 'O yes, madam, we have so much to success. It is supported by the absurd do with noble families we recognise

recognized position, who have more Mrs. Maginnis pays her \$100 with money than ancestors, and wish to exceeding satisfaction, and shows her exchange a little of the former for a bill to all her commonplace friends for good deal of the latter. The capital the next twelve months, when they visit invested in the office is trifling. It her expensive but tawdry new stone

THE VANITY OF FOOLS.

Such are the foolish persons who histories and chronicles, including begun and \$100 after it is completed. Froiart, Burke's Peerages, and kindred The manager's labor is little more than a made-believe. They twist the name The business of the establishment is of any of their patrons into some name that figures in history, or is known in An applicant for a 'family' enters the peerage, and give lineage therefrom. Muggins is made De Mogyns; Jo es is King John of France or England; Thompson is made Temp fils, the son Smithers! Smithers! The Smithers of Temps, a powerful baron, and so on

with all very old families. I'm glad to to be sensible could be so cajoled by see oue of their lineal descendants. their varity? They learn nothing of What was your mother's name, Mr. those who have gone before them; but they may be certain there were fools in the family.

BETTING.

Shooting Affray. On Wednesday last a shooting affray took place at Collingwood, in which a young man named McCue lost his life 'Your wife is correct. The Fiurry's It appears that a family named Waunch, Gad, I'm glad of that. Mrs. in a few days, contrary to the wishes of Flurry'll give me a little peace now her relations, who are, I understand,

ishly determined to take her from the poses ritualism, close communion, The fee for insuring investigation is Waunches, and place her in the keeping that publishes HENRY WARD BEECHER'S of her relations, and subsequently pro- Sermons, which it does every week, just as ceeded to put their determination into they are delivered, -without qualifications or execution.
