Messrs. Brothers & Hatton. DEG to announce in view of the prosperity of their Foundry, and the great de-D mand last season, that they are prepared to turn out this season an unusually Ball's Ohio COMBINED REAPER & MOWER. With Self and Hand Rake of DODGE'S LATEST IMPROVED PATTERN? They would direct particular attention to their IMPROVED HAMMERED STEEL BAR! They are using this season an Improved ROUND GUARD with FLUTED CENTRE. Laid with Steel, which all who have inspected it acknowledge to be a decided improved ment, as it will do its work much easier than any Square Faced Guard, & from its strength less liable to breakage. They are using the 3-inch American Section, which adds to the light draught of the Machine. Several farmers of the neighborhood have decided to have the Improved Guard put unto their old Bars. GMBBOAED PEGEB 8 Is also displayed on the machine, which requires but to be seen to be appreciated .-The Wood Material is all of the best quality, and thoroughly seasoned The Improved Geared Thrasher!
