THE GREAT FEMALE REMEDY.

Job Moses' Periodical Pills.

HIS invaluable medicine is unfailing in the cure of all those painful and dangerous diseases to which the female constitution is subject. It moderates al excess and removes all obstructions, and a speedy cure may be relied on .-- To married ladies it is peculiarly suited. It will in a short time bring on the monthly period with regularity.

These Pills should not be taken by Females during the FIRST THREE MONTHS of pregnancy, as they are sure to bring on Miscarriage, but at any other time they are safe. In all Cases of Neryous and Spinal Affections, Pains in the Back and Limbs. Fatigue on slight exertion, Palpitation of the heart, Hysterics, and Whites, these Pills will effect a cure when all other means have failed; and although a powerful rem-

mony, or anything hurtful to the constitu-Full directions in the pamphlet around each package, which should be carefully

SPECIAL NOTICE. These Pills were formerly put up under the name of "Sir James Clarke's Female Pills," and the very great celebrity they have attained, has induced unprincipled persons to prepare base and worthless imitations-copying the style of my wrap pers and matter of my circulars so closely as almost sure to deceive the purchaser. I have therefore concluded to discard all my old style of wrappers, circulars, &c., and in future will put the Pills up in an entirely new and different style, under my own name, as the "GREAT FEMALE REMEDY, JOB MOSES' PERIODICAL PILLS".

CAUTION .- To insure getting the genuine Female Pills, see that each bottle has my name, or the letters T. & M. blown in the glass, and wrapped in a neat steel plate cut, on which are printed on white ground the words- 'THE GREAT FEMALE REMEDY JOB MOSES' PERIODICAL PILLS," also my note of hand on one side of the wrapper.
