MMENSE DIRECTIMPORTATIONS

S. F. McKINNON & CO.'S

Stock of Staple and Fancy Dry Goods is now complete for the Summer trade. Being DI . RECT IMPORTERS, and possessing facilities unequalled by any 'House in the County of Halton, we are enabled to offer our customers a better and new class of

GOODS

At lower prices than any of our less enterprising but more boastful neighbors. Our import tions are much heavier this season than at any former time. The EMPORIUM is filled t ts utmost capacity. Bargains will be given such as were never before heard of in this part of the country.

NOTICE THE PRICES.

Piles of Prints 8c per yard; piles of Prints at 10c, worth 121c; piles of Cottons 5c, 8c and for nobility, but are as yet unrecog-10c, worth more money; Dundas Cotton Yarn, \$1 25; Heavy White Cottons, 10c per yard.

DRESS GOODS.

Being part of a manufacturer's stock secured by our buyer in Britain at panic prices. We are having an immense rush for these goods, as they are fully 25 per cent less than their value

In Millinery Mantles We still continue to take the lead. All attempts to equal us have been hopeless failures.

OUR ORDERED GLOTHING to a plebiscite.

Is now a household word in this County. This department is still under the managemen of PROFESSOR BRADBURNE, the

Champion Custom Clothing Cutter of America

Ladies and gentlemen, call early and avoid the great rush in the afternoon.

CLEARING SALE.

"HE far-famed "MAMMOTH" being about to take stock, and being afraid to face his enormous piles of goods on hand, has determined to reduce his stock to the lowest point by offering the public the best and cheapest goods ever shown them,

McLeod, Anderson & Co'y, have discovered that skirts are a much more comfortable working dress than for illegitimate purposes.

MAMMOTH HOUSE, GEORGETOWN.

COTTONS.

Of all descriptions, have advanced 25 per cent. We can, however, offer our custom old inducements, as we have had large orders in the manufacturer's hands for some time, have only had them filled a few days before the rise. Remember, then, at the MAMMOTF CI.EARING SALE Grey and White Cottons and Prints will be offered 25 per cent lower than present market value.

DRESS GOODS.

Full stocks in all lines; plain and fancy Poplins and Lustres; stuff goods from 5 cents \$1; Silks, etc. Don't lose this chance -2,000 patterns to choose from.

WOOLLENS

Have also risen 25 per cent; but we are still able to offer our usual low prices. Our counters are crowded, the variety is un qualled, and such low prices have never before been heard of. Our Clothing Department is also complete. Perfect fit and first class workmanship are in every case guaranteed.

MILLINERY

A magnificent and gorgeous assortment of Flowers. Feathers. Every novelty is stock. Laces, Trimmings, etc.

A delicate task it was to select from 2,000 young ladies of Berlin one who. should have the honour of presenting the golden laurel wreath and delivering the ode of welcome to the Emperor William upon his entrance into his capital. More than that number however, made application for the position; and the one finally entrusted with the task was selected, not only because of her great beauty, but also because she had distinguished herself during the war as a hospital nurse. The Emperor will hereafter take care of the lady, and in case of her marriage give her a dower of \$5,000.

Mrs. Elizabeth Cady Staton. in-her lecture at San Francisco, contenden that suffrage should be bestowed women through the medium of the ballot, while the men should be educated to do the cooking. She says men are better adapted for the kitchen than women, because the former can bear any amount of heat and smoke. She says a dozen of them will get together and smoke a room so full that you cannot see across it. They like smoke, and cooking will give them an abundance of it. Men, she declares. are the best cooks. The quickest man on board ship. He had but one spoon which he would dip into everything, and between flavors would lick the spoon. A woman would not have done that. She would have used a dozen spoons in the same process, and dirtied at least a dozen towels. These are strong arguments certainly, on the score of economy; but Elizabeth don't tell us how she relished the viands thus cooked. She would also commend them to take charge of the babies, because they would be equally economical in the use of towels and
