nine of her native or imported white In a word, our stock is the most complete, and our prices the lowest, in Canada. Don't

CPEPBING

We have to thank the public for the unlimited patronage of the last six months. We re flattered by the extraordinary increase in our busines; and hope, by keeping the best tock in the country, and by selling at the lowest prices, to maintain our position as the lead ng dry goods house in the Province.
