About Barbers. BY MARK TWAIN,

All things change except barbers, the ways of barbers, and the surroundings of barbers. These never change. What one experiences in a barber shop the first time he enters one, is what he always experiences in a barber shops afterward, till the end of his days. I got shaved this morning, as as usual. A man approached the door from Jones street as I approached it from Main—a thing that always hap-I hurried up, but it was of no use; he entered the door one little step ahead of me, and I tollowed in on his and then, bundling and tumbling my heels and saw him take the only head this way and that, as convenience vacant chair, the one presided over by the best barber. It always happens so. I sat down, hoping that I might fall heir to the chair belonging to the better of the remaining two barbers. for he liad already begun combing his

slight satisfaction to have found it in

their power to a small extent literally to repay the Germans in their own coin. Most of us know what German money is, and we can therefore appreciate the dismay with which the authorities of Strasburg witnessed the arrival of18,000,000 francs in Gergeant-Major Fraser, a very powerful Finding the French gold and silver much cleaner and far more handy than their own, the Germans were who were soon after driven back with naturally very ready to part with the great slaughter. Thus was the future latter; the desire of the French, on the other hand, to rid themselves at the black conting collecting on their coins in greasy lumps. Of course this mode of payment imposed upon the German Commissioners the task of counting over the wholesum whereas the simple process of weighing suffices for French money. The thickness and weight of German coins varying in the same species often as one to three or even one to four, the use of the balance is quite out of the experienced in this instance may accelerate the decision of Government

The Great Whichona Trial.

(From Judy.)

The plaintiff's cross-examination was continued. The Solicitor-Generre sember. Did you not at that time weat tight boots? Not if I could help it. Be good enough to answer my very desolation, and from the fact that one on my left foot. Did you not wear it on your right foot? I never wore my left boot on my right foot. You are trying to be facetious, but I shall bring these boots home to you directly. You may bring home as many pairs as you like if you will leave them without the money. You mean that for wit? Yes, "wit and wear" I'll try So speaks the Lord when mind and heart and bring these particular boots back to your recollection. 'I've got a pair there. Then he fell to stirring up his defining them with pounds, strong out this occasion. On turning to his less hills -probably toward the north- ed with. How dare you to say such a glass, stopping now and then to get six owner black, and tan terrier of his of the time he headed from Calais, fed the 5,000 who had flocked after ought to have waited till your back close and examine his chin critically till I heard the whistles blow for goon which corresponded with the prisoner's him on foot; it was somewhere about was turned. The Chief Justice: Shu

Waggy-Baggy! No. Ishouldn't, i. witnesses to prove he didn't. One of the jurors: Are you going to hear the awful, let's adjourn and have a pipe.
