MILTON SEPTEMBER 28, 1841.

TO OUR READERS.

We have to apologise to our readers willie, 36 men. this week for the limited amount of reading matter contained in our col- rie, Lieut. Currie, 34 men. umns. All of our workmen, save the "devil," are now in camp at Oakville, Ensign Brown, 47 men. doing duty as volunteers, and we will have to worry along as best we can Kearns, Lieut. Breckon, 30 men. till they come back. Our readers will to present so complete a paper as us 1- men. next Wednesday, we shall be com- tham. pelled to issue a half sheet next week, The tents are very comfortable and

THE CROPS.

The Grand Trunk crop report for 1871, shewing the result of the harvest as reported from all the stations along its entire length, is issued, and on the first page we publish a portion of the report referring to this county. In prosperity is dependent upon them, for the purchase of the harbor. have great ceuse for thankfulness. With a few exceptions, the fall wheat taken up with a warm discussion on to be in time for the reading season. has done remarkably well, and as a the following motion: greater breadth than usual has been Mr. Reynolds that great additions will be made to in view in contemplating such purchase N. Y. the savings and accumulated wealth is:
"1st. That it may be put, and kept, of the country. In this Province other in a suitable condition to afford suffigrains are generally up to the average, cient facilities for shipping, etc.; while, awing to the continued drought, "2nd. That the tolls and charges of Milton Mechanics' Institute, have de vessels, of over 4,000 tons, are now in the hay crop and root crops will fall below the average. The hay was, said harbor be reduced to as low a termined to get up a concert, on Tuesday the 17th af October next, (the quirements of this commerce the however, remarkably well saved. In country; the Province of Quebec the spring wheat is an average crop, oats, barley ship of Trafalgar) would be largely we have no doubt will prove a success, and be a good addition to the show necessary to make it more than twentyand peas have turned out well, the hay benefitted in the event of the town day in Milton. crop is good, and the root crops promise a large return. Hops—quite an important branch of agriculture in this being possessed of the harbor, as will be shown in the proposed reduction; "Resolved, therefore—That a special committee be appointed to confer confer one of the largest and best selected confer stocks of boots and shoes in the town masons. county—are a good crop, and, as they with the Township Council of Trafal- stocks of boots and shoes in the town masons. now command "fancy prices," will be gar, with a view of asking them to of Milton, and to make room in his a very profitable one.

tude, and very little grumbling was crowded out. heard about the weather. There is one subject, however, on which both officers and men speak with no little feeling. and a universal murmur is indulged in at the expense of the Militia Department. This is about the shabby way in which they have been treated in the matter of clothing. Those companies which are tortunate enough to possess uniforms (?) present a very piebald appearance from the prevalence of civilian pants and caps in the ranks, while the Milton company is totally devoid of all military clothing, being arrayed in hats ranging from the festive wide awake to the dignified plug, and in coats of all hues, patterns and shapes; to which Joseph's coat was not a "patching." The Major the Department that clothing for this ordered that the sum of \$13 34 be groceries of all kinds, are to be had at new company would be supplied at Oakville, but as yet there are no signs of such a supply, and even the most sanguine man in the company has abandoned all hope. Enormous Arrival of

AT THE

EMPORIUM,

GEORGETOWN.

S. F. McKINNON & CO.

In returning their sincere thanks to their thousands of customers for the unparalleled success: which has attended their business for the last three years, would say that they are now in a position to serve them better than ever, owing to a scarcity in the British markets, and a probable still further increase in prices in all classes of goods. We have imported much larger than any former season. Our immense warehouse is crammed with goods all bought before the advance in prices. Never before have we shown a stock so extensive, so attractive.

Dress Goods Department,

We are showing a choice and magnificent assortment. Our buyer has been successful in picking up some of the prettiest goods that ever crossed the Atlantic. We have just opened over 500 pieces at prices from 10c to 75c per yard. Pekin Stripes, Plain and Figured Lustres, all wool Satin Cloths, Clan Tartans, Irish Poplins, Brocaded Poplins. We also hold a large stock of Black Lustres, Black and Colored Silks, etc.,

Millinery and Mantles.

This department will present unusual attractions this season, in order to supply a want long felt in this county. We have secured the services of a young lady of large experience in one In this department is our importation of an enormous quantity of Ready Made Clothing of the leading cities of Europe, who is now on her way out to take charge of our Millinery and Mantle Departments. We ask the ladies to call and inspect for themselves.

Mourning Goods.

A complete stock always on hand in Black Crape, Cloths, Black Paramattas Black French Merinos, Thibet Cloths, Continental Cloths, Baratheas, Black Crapes, Gloves, Libbons, Crape Setts, and a full stock of Mourning Millinery.

Ordered Clothing.

We still continue to take the lead. Our Cutter is second to none in the Province. We employ none but first class workmen. All our garments are warranted to fit, or no sale. keep an enormous stock of Cloths, Tweeds, Beavers, Pilots. Water-proofs, etc.

Our Staples

Were bought early in June, consequently before the advance in prices. We hold an unusually large stock. We have in store 500 pieces Grey Cotton, 300 pieces Print, with a full stock of Tickings, Shirtings, Cambrics, Linens, Denims, etc., which, in many cases, we are selling at less than present wholesale prices. As many lines are likely to be scarce, and probably advanced in price, we advise our friends to make their purchases early.

UNRIVALLED SUCCESS

CHEAP

HUUUL GEORGETOWN

McLeod, Anderson & Co.

OR the last year we have tested the above system. In proof of its success we may mention that we have sold the largest amount of goods we ever disposed of in the same length of time. Our motto is "Cheap Goods and no Second Price." We have imported the largest stock ever brought into this County, and as we purchased them two months earlier than usual, we shall be able to sell goods at Canadian WHOLESALE PRICES. We have the most unlimited assortment in every department. Our large house 100 feet long, 3 flats) is crowded from roof to cellar with piles upon piles of cheap dry goods.

Tailoring Department Is in a more flourishing condition than ever. Having re-organized it, and secured the services of a FIRST CLASS CUTTER, who surpasses anything west of New York, and hav-

ing further enlarged the work-rooms, gentlemen may now rely upon getting perfect fitting

ANEWFEATURE

from Britain. We can save our customers 50 per cent on these goods, and can offer superb Men's Suits at \$9; Loys' Suits at \$5; Men's and Boys' Overcoats, Pea Jackets, Vests and Pants all at like rates. These goods are of splendid material and first class make. Gents' Furnishings in full assortment. Hats and Caps, Shirts, Ties, Collars, Braces, Under Jothing, etc.

Millinery and Mantles.

We have all the latest novelties, and will have tresh additions weekly throughout the season. We have an experienced milliner, and a large and competent staff of hands. In this department we are unapproached. We offer special inducements in Carpets, Rugs, Oilcloths, etc., as they have lately advanced 6d and 8d sterling per yard.
