couraged to be theorists before they become cognizant of truths, universal is the Yankee propensity to orationizing, that to it must be attributed, in no small degree, the singumatters of social or political life; still of argument they are wont to advance Cash in international negotation. You find your neighbor at a dinner-table, in defiance of Baconian maxims, claborately generalizing from one particular. No people in the world has equal talent for the ornamental expression of nothing. Tracing the effect of this on all popular thought, all popular action-it is to substitute "smartness" The subscribers have determined on and afte for learning-plausibility for facts-to dissolve instead of to crystalize truth in words. Few Americans estimate a word at its correct value. Few of them seem to feel it to be a precious The 1st of December next, thing not to be squandered-not to be abused to set untruth or commonplace or unreality—a thing which, wielded with exactness and care, carries in it a glorious might, but which, thrown out with slovenly or shallow incaution, is a folly or a sin. To be ready in expressing the results of study and thought is a faculty of faculties; to cover with thin and melting flakes of eloquence an underground of ignorance is to spread delusion for the weakest and most numerous of mankind,-" " Lord Bantam," by the author of " Ginz's Baby."

A demure looking chap hailed a Ready Pay Only. "Theve you got charcoal in your wag-"Yes, sir," said the expectant driver, stopping his horses. "That's right," observed the demure chap. with an approving nod: "always tell the truth and people will respect you.' And he hurried on, much to the regret of the peddler, who was getting out of the wagon to look for a brick.

The extraordinary effect of Fellows Compound Syrup of Hypophosphites is due to its power of imparting the Milton, Nov. 21st, 1871, tal principle to all constitutions impaired by wasting or debilitating maladies. It is acceptable to the Furniture palate, and suitable for all ages and all constitutions. The blood is restored to purity and health, the nerves and muscles are strengthened, while tuberculous or consumptive deposit is re-

BREAKFAST .-- EPPS'S COCOA .-- Grate ful and comforting.—"By a thorough C. THAYER. BEWS knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."-Civil Service Gazette.
