plements, held at the City of Owanatona, Minn., U. S. A., July 26th, to August 3rd inclusive, after a most severe test in different kinds of grass and grain, the Kirby was awarded First Prize and Gold Medal as Combined Mower and Self-raking Reaper; thus showing it to be the most successful Mower and Reaper in the City Hall, London. and at the Institutes at Belleville and Brantford, where printed forms of Tender can be had on application.

The lowest or any tender not necessarily accepted.

ARCH'D. McKELLAR, Commissioner.

Marshaltown, Iowa.—Extract from Chicago Weekty Journal. July 26th, 1871, reporting the Field Trial, July 19 to 25, 1871, at Marshaltown, Iowa:
"No machine on the ground attracted greater attention, or called more admiration than the Kirby. It has been a favorite for years, and maintains its hold president of the Reform Association.

Dear Sir:—1 hereby inform you that

praiseworthy. Its durability was eloquently illustrated by the introduction of an old machine that has been through ten harvests in this county, and that has stood out, exposed to the weather during those ten years. This old Kirst, a hand-raker, manufactured before self-rakes were much known, cut its full acre of wheat at the trial in forty
