MR. CAM ERCN AT CAKVILLE. THE FACTS RESPECTING THE CAN-

ADA PACIFIC RAILWAY.

to Parliament and the cost counted.

British Columbia, for the cession of

constituencies!

Governor in-Council, the contracts are

to be let by the Governor-in-Council,

road are to be chartered by the Gor-

ernor-in-Council. These and such

settle the route, why should not Par-

liament act on the contracts, having

them fully examined and reported on

should not Parliament pass the acts

necessary for the incorporation of the

company or companies required to

carry out the work ! Why, but that

a corrupt administration was bent on

securing an amount of control and pa-

tain place and power, to aggrandize

its members and their friends, and to

keep the country at its feet. Such a

complete abdication by Parliament of

its own proper functions was never

known since Responsible Government

of the day is converted into an cirres-

as Sir John A. Macdonald.

tropage such as would enable it to re

by Committees, and why, above all,

It is falsely charged upon Reformers, in various quarters, for electioneering purposes, that they are hostile was held in Oakville to hear an address he should record his vote to the construction of a railway to from Hon. John Hillyard Cameron British Columbia. This charge we on the political situation in relation

of Toronto, attended for the purpose within two years, and complete opportunity for discussion. How-clusive, and the 9th, 10th and 11th con., within ten years, this enormous enter- ever, on Mr. Cameron's arrival, a place, Norval prise, when the route has not been surveyed, nor the expense calculated; refuse the other side a hearing. On the consist of the E 1 of the 4th con., the of road should have been reported on Mayor of Oakville, then stated that a Polling place, Stewarttown gentleman from Toronto was present We object to the pledge of \$100,000 who wished to speak after Mr. Cameron per annum in all time to come to had concluded. Mr. Dymond briefly explained the circumstances under which land along the line of railway. Why he attended, and arged that it was con should we pay such a sum, or any other trary to all custom and precedent for indeed, to British Columbia, when that the discussion, at a public meeting to Province will benefit so largely from discuss public affairs, to be limited to the Railway? The lands of Canada one speaker. However, the conven are to be ceded without cost for this ors of the meeting persisted in their purpose, and in like manner ought the determination. Mr. Cameron then fands of British Columbia to be freely delivered an address of two and agiven toward it. It is an undertak- quarter hours' duration, in which, with ing that will be at least of equal benefit his usual unctuous plausibility he took to British Columbia with other parts of credit for the Government with regard prove of greater benefit to that Pro pros and all administrative measprove of greater beneat to that the ures, and glossed over their more fra-vince thankoany other in the Confederation. It is nufair and uncalled for to having been give: to Mr. Cameron he add to our other burdens this heavy withdrew with his friends, and
