> Day of the Drawing Fixed. No Postponement from September 28.

The Trustees of the Public Library of Kentucky being satisfied from the large sale of tickets already made, and the daily increasing defined for them, that there will be no occasion for postponing the second drawing in the Gift Concert in aid of the Public Library of Kentucky, have instructed me, as their agent and manager of the Gift Cencert, to say to the public and ticket-holders that the drawing will positively take place on September 28th prox., and will not be postported.

An active demand for tickets comes from States, and from the Canadas, giving assurance to the Trustees that no circumstances can prevent a drawing at the appointed time. A sufficient clerical force is engaged to keep up with the orders for tickets, and in order that this office may be relieved of the immense pressure incident to the business for the week or two immediately preceding the drawing, agents especially, and those desirous of procuring tickets, are requested to send in their orders immediately, as sales will have to de closed in time to make the necessary

preparations for the drawing. It is the wish of the management to fill every order for a ticket, as well as to sell all the tickets, but those who apply first must first be supplied and, if those who put off buying until sales are closed, have their money returned, instead of the tickets ordered, as in the first Gift Conceff in December last, when thousands of dollars that came too late were sent back, they will have none to blame but themselves. THOS. E. BRAMLETTE,

Agent Public Library Kentucky Louisville, Ky., August 19th, 1872.
