### ARREST OF KEMP. A man named Kemp, who is charged with having committed rape near Nassagaweya, on the 5th of July last has for some time eluded the police; but Constable Kelly. of Guelph. got on his track and traced him last week through Galt, Beverly, Dundas, Aucaster, (at which latter place he stood cheek-by-jowl with Constable Crooks without being recognized.) Binbrook and St. Catherines. Mr. Kelly became satisfied that his man had not crossed the borders, and his visits to St. Catherines, the Bridge and elsewhere, confirmed him in the opinion. All this time the Chief kept up communication with every point to which his suspicions were at all directed. at the same time keeping a strict surveillance upon the Guelph Post Office, where he finally learned that a party had posted LETTER FOR ROBERT KEMP, WEL-

Mr. Kelly immediately wrote to the Welland Chief Constable, informing ed to prove property, pay charges and take him of the case. telling him that John her away. Thus posted. trouble in making the arrest of Kemp alias Hudson, whom he found working at a blacksmith's shop as 'striker.' ed on giving information that will lead to or assistant. The wily fellow asked permission to change his coat, and, notwithstanding the warning given, was permitted to do so, when he made a bolt from the room. HOTLY PURSUED BY FOUR CON TABLES,

by heading him off. The Guelph Herald says - Chief Constable Kelly went down on Monday, identified his man and arrived here with him on the Apply to same evening by the train due at nine o'clock, but which was an hour late. On the way up, Kemp was somewhat reticent at one time protesting his in nocence, at another bemoaning the unfavorable circumstances and bad company which brought him into Montreal, P.Q. auch a plight, and again expressing his determination, if he got out of this scrape,

TO LEAD A DIFFERENT LIFE. He is now in Guelph jail, and wa to come up for his preliminary examination before the police Court on Wednesday morning. We understend that the Chief Constable has been to the expense of over \$50 in Monday, the 30th day of December, tracking Kemp, and securing informa-Catharines News.

On Wednesday. 4th inst., the prison-Magistrate at Guelph for trial at the first court of competent jurisdiction.

Edward Bayer, Esq., Horton, Kings county, N. S., writes that an astonish ing cure has been affected on his daughter by the use of Johnson's Anodvine Liniment. The whole spine became diseased, she lost the use o her limbs, and her back was rounded up like a bow, in consequence of taking cold after having beer innoculated for the kine pock. She is now well.
