## The Official Paper of the County.

MILTON, 4TH JUNE, 1874.

chance of election of any of the three. ----

### CABINET CHANGES.

colleagues. The vacancy in the Cabinet gentleman strong in the confidence the Liberal party of Quebec.

### Reciprocity.

has to say about reciprocity: "Public upon and consume the as possible by an early action looking towards its restoration."

### The Crops in the West.

that grasshoppers and clinch bugs have fondly trusted that even made their appearance.

### CUNNINGHAM INTERVIEWED.

York Herald there is a two-column irksome to his unaccustomed hands urge as many of our townsmen as can on the election the more profitable the parrative of an interview between one that before the session ended he would possibly do so, to join it, and thus the object, was a very good reason. of that journal's reporters and Mr. gladly retire in favor of John A. or Cunningham, M. P. for Marquette. any one else, rather than endure the Mr. Cunningham gives a vivid and merciless thrusts of his adversary. rather sensational account of the The close of the session came and whole North West difficulty. He found the Ministry still more firmly strongly detends Riel, and hints that fixed in power. John A. in the cold there will be a bigger row yet if that shades of Opposition was seen to be celebrated individual is not left alone. not nearly so terrible as John A. at He says there is not a single case in the head of his unwavering phalanx; the history of the world where a people while Mackenzie, master of every went through such a crisis with less detail of every department of the bloodshed than in Red River in 1869. Government, was found more than a Hamilton and North Western Railway. Indeed, when he considers the whole match for his old adversary, and led circumstances, when he takes into ac- his forces from victory to victory. count the peculiarly irritating material The great questions that were to have in the Township of Nelson, the contract offered sheets of tinted paper, on each opposed to him, the only wonder to been a stumbling block and a snare in to build the road having been given to of which the damsel to whom they Mr. Cunningham is "Riel did not the way of Ministers, met as they were Mr. Hendrie. We believe the work will applied informed them she had left a kiss. This, however, might be liable string up the whole crowd of Cana- with honesty and singleness of purpose, be pushed on rapidly by him. dians then in arms." The Member have proved to be no difficulty at all. From the following telegraphic report such inconsistent with the truthfulness for Marquette further gives it as his To a Tupper, a Plumb and an Orton it would seem as if the Company has not of the Christian religion. A better opinion that the real question at issue was left the duty of fighting the been keeping faith with some of the back are willing to sacrifice themselves for in Canada to-day is whether the Orange | Ministry, while after only a few feeble townships, and the people of Milton and the good of the cause to sell the genulodges are to rule Canada or not, as attempts the mighty Sir John subsided Halton may feel pleased that they have line article. Kissing, we are informed. he asserts all this row is in reality into silence. The Ministry is master the Company bound by something rathraised by them. Mr. Cunningham of the situation, and John A. has er stronger than the word of the promomight be utilized to good advantage alludes to the hon. Member for Lisgar fallen—fallen "like Lucifer, never to ters. The following is the report of an for the promotion of Christianity. as "that scoundrel Schultz," from rise again." which we should judge that a cordial feeling does not exist between at least two Manitoba M. P.'s. Altogether it is a rather spicy "interview," though we suppose the reporter has embellish- than we could find room for last ed the narrative somewhat.
