An Abundant Harvest brings Business Activity!

We congratulate our friends throughout the County on the unusually abundant harvest reaped this year, and sincerely hope it may prove a most profitable one in every respect. Anticipating the increased wants of our friends we have spared no pains to secure an assortment which will surpass that of any preceeding season, and the sterling good value, combined with the attractiveness of our stock, is the principle reason for the CONSTANT ACTIVITY of our business. NO DULL TIMES has marked our business. ness, but on the other hand there has been a steady growth, until our premises are almost too small for the stock we are obliged to carry, to meet the wants of our growing trade.
