Provide yourselves with a bottle of PAIN-KILLER at this season of the year, when summer complaints are so prevalent; it is a prompt, safe, and sure cure. It may save you days of sickness, and you wi find it is more valuable than rold. Be sure you buy the renuine FERRY DAVIS PAIN-KILLER, and take no other mixture.

COBOURG, Ont., March 3, 1880. I have been selling Perry Davis' Pain-Killer for the past six years, and have much pleasure in stating that its sale in that time has been larger than any other patent medicine that I have on my shelves, and in those years I have never heard a enstomer say aught but words of the highest praise in its favor. It is an article that seems to have combined in it all that goes to make a first-class family medicine, and aslong as I have a house and store, Perry Davis Pain-Killer will be found in both.
