PROSPECTUS FOR 1883 FIRST - CLASS FAMILY

MAGAZINE. A POPULR MONTHLY OF GEN.

ERAL LITERATURE. The distrinctive reputation of Lippincott's Magaizine as "eminently readable" will, it is trusted, be confirmed and extended during the coming year. The special aim of its conductor is to secure such treatment of the great variety of topics embraced within its scope as shall render it attractive to the gen-eral mass of intelligent readers, a favorite in the family circle, and a means of culture a

While fiction, in the form of serials and short stories, holdes a prominent place in its pages, it has gained particular notice by its sketches of teavel and adventure, studies of ife and character, and articles on natura history and other scientific subjects, written with the freshness that comes from personal observation and experience, in a lively style. and with abundant ancedotical illustrations. One of the chief attractions will be a taci-

nating Serial Story, to commence in the January number, entitled "THE JEWEL IN THE LOTOS," by Mary Agnes Tincker, author of "Signor Monaldini's Nicee," "By the Tiber," etc., in which the interest will be found to centre on three finely contrasted female characters, Italian, English, and Amerian, and which, besides many exquisite pictures of Italian life and scenery, embodies the writer's matured views on some of the leading questions

union of literary excellence with popular attractiveness will be eteadily maintained. For Sale by all book and newsdealers. Terms. Yearly subscription, \$3.00: single umber, 25 cents. liberal club rates. ceipt of 20 cents. (Postage stamps afford a in the stable.
