Lady Catheart's Emigrants.

FEECHIN' BEAST. them in charge of Mr. McTravish, one of walk, we take medicine, and we take a lib wllsanttysiliogogogoch. children, second class, we should not be one. surprised if they were a little soured. Mr. Turner scoffs at the poor newspaper tinue to produce. Got to Moosomin they said they would like a bit of a hunt. They took their guns and in a short an alleged murder he means that some one Landseer's pictures. They put up no thing wonderful and abnormal, those who game. At last they saw a little animal | so apply the word are merely doing what such as they had never seen before. has been done in English for 800 years-They fired but he never moved. Then adapting from the French. Voltaire used they got back to camp, could not be adcould speak but little English and said in says rightly enough that the custom of the Gaelic in the morning: "We have hunt- poets in applying "numerous" to objects ed many years, we never met, and God of magnitude, vastness, grandeur, or depth, grant we may never meet him again. even though the terms of such object He should set up a perfumer's shop, should yon."-Regina Leader.

Absurdities of Men's Dress.

as they get baggy at the knee long before they are worn out, and they are always getting dirty at the ankles. They are not aspecially adapted for cold or wet. On a wet day it is the part from the knee downthe changing of the whole garment. Indeed it is the way in which they ignore the knee joint which renders trousers so practically objectionable. It is at this joint that they not only spoil their own shape, but inflict a sense of tightness over the whole

body by means of braces.

Why are buttons placed on the back of a coat? Mr. Gotch remarks that the tailor says they are there to "mark the waist" But why should the waist be marked? As a matter of fact, the only reason for the existence of these two buttons is they are a survival of the time when they were of use, when men buttoned back the long flaps of their coats in order to walk more freely, or found them useful in sustaining the sword belt. We have no the end were of real use when the sleeves vivals. The stovepipe, hat too, is only the to display ribbons, and knots, and other gands. In itself it is both ugly and uncomfortable. Then we wear absurd neckties that do not tie, and pins that do not

---Gough and His Cigars.

Smoking was abstained from by J. B to put them.' You can put half a dozen in your pocket.' I wore a cap in those days, and to please him I put the cigars into it, and at the appointed time I went to the meeting. I ascended the pust.

Thave ho place the company being \$862,59 for unadjusted closes, and leaving, after setting asside the sum of \$17.821,19 for reinsurance, reserve and unadjusted claims, the sum of \$124,388,70 as balance of assets.
