VIVED AND DISCENERED SOM

THING VALUABLE. The Tammany excursion to the state conventio : at Buffalo w re surpris d troduction into their midst of two attractive looking cases marked in a bold, the placed br asts of the leading dis- the full extent of the injury done by rust,

ing Tammany's thunder. touched the shoulder of Hon. John Kelly, and gesticlated in the direction of the cases aforesaid. Mr. Kelly at once took in the situation, and linking the arm of the young man, went forth to investigate the ripering stage with rust. As a result, the average yield is low and the quantity poor. In the eastern half the plant wintered well and the yield per acre is much what the Great Pish Culturist Says: young man, went forth to investigate the higher than in the west, but the rust secret of the mysterious boxes.

"Tippecanoe!" exclaimed the well-known

or to any bitters now, or ever known to the public. As the delegates slaked the reliable thirsts, they one and all praised "Tippecanoe" and Tyler, too, while combinentary remarks were made by such lepts as the Hon. John Kolly. The account was too made to the produce of the subscriber wishs est confidence. I am happy to say it effected permanent relief and that I am well to-day through the Influence of Warner's SAFE Cure. After such an experience I can most the average of spring wheat 16.75 bushels, and of fall wheat only 10.54.

The account was too Total Cure. After such an experience I can most the average of the subscriber wishs commence with the number next after through the Influence of Warner's SAFE Cure. After such an experience I can most the average of spring wheat 16.75 bushels, and of fall wheat only 10.54.

The account was too Total Cure. The account was too Total Cure. After such an experience I can most the average of the subscriber wishs confidence. I am happy to say it effected permanent relief and that I am well to-day through the Influence of Warner's SAFE Cure. After such an experience I can most the average of spring wheat 16.75 bushels, and of fall wheat only 10.54.

The account was too Total Cure. After such an experience I can most the average of the subscriber wishs and the great confidence of warner's SAFE. The last Four Annual Volumes of Harp-cure. The account was too to the subscriber wishs and th critical analysis, when it was found that was 1,775,327 acres, and the produce plimentary remarks were made by such The season was too wet for maturing a W. Plunkett, William H. Hullihan, Senat-though the berry is plump it is generally

to be a preparation which not only refreshed, but was unquestionably the best remedy known for dyspepsia, mal-assimilation of dorangements, constipation, tired feelings, malaria, blood disorders general functional derangements, constipation, tired feelings, malaria, blood disorders, skin eruptions, loss of energy, feeble appetite, bilious headache, etc. The combination of a delicious drink with a wondrefully efficient remedy is as gratifying as it is rare.

The above truthful incident regarding the new preparation which is being introduced to the public and is cortain to describe the standard bushels.

The average yield 23.5 bushels.

The average yield

The above truthful incident regarding the new preparation which is being introduced to the public, and is certain to supercede all "bitters," is taken from the New York Standard of a recent issue. "Tippecance" is prepared by Mr. H. H. Warner, of Rochester, N. Y. who is known to every man woman and child in the land as proprietor of Warner's Safe Cure, better known as Warner's Safe Cure, better Cure. In addition also to "Tippecance," Mr. Warner is just introducing a Safe Rheumatic Cure which he personally guarantees to cure ninety-five per cent. of all rheumatic affections. The popularity of the Safe Cure, together with the high personal standing of Mr. Warner, make this possible. The peculiar name of "Tippecance" is, as we learn, adopted to prevent the fraudulent imitations which always follow meritorious articles. Its principal ingredients were used by the of persons are dying annually from no others cause than though tless neglect. The slight symptoms of uneasiness, headaches. constipation, stomach derangement, malassimilation of food and other similar troubles are often considered of too little Barley importance to require attention or treat- Oats ment. They are therefore permitted to Rye continue until the health is broken, the constitution wrecked and the life exhausted, when by timely use of the right remedy

health might be secured and life prolonged. Christmas number, with an extraordinary wealth and variety of papers, poems, and pictures, by an array of authors and artists for all diseases of Liver, Kidneys and (American and English) seldom, if ever, Blood, purifying, regulating and strengthbrought together before. This will take ening the vital fluids. the place of the Mammoth Harper's Christmas of 1882, which will not be repeated this year The Number has four extra plates, consequent upon the acceptance of the in addition to its usual 160 well-filled pages. Provincial Treasurership by Col, A. M. The illustrations alone have cost it is stated Ross, M. P. P., was held Saturday, and charming Christmas title-nage, drawn by Dielman, the artist of "A Girl I Know," in which pretty pictures of Santa Claus and his reindeers and of Christmas waits are united by a wreath of Christmas holly. The opening paper is by George William leaves from the chestnut and hickory nut Curtis, the first distinctive article outside trees in many sections, and the crop will of the Easy Chair that he has written for be a failur.e Worms that afflict childyears. It deals with "Christmas," old and ren or adults will prove a failure if Dr. new, and particularly with how the Pilgrim Low's Pleasant Worm Syrup is used. Fathers declined to celebrate it. The Frontispiece "Under the Mistletoe." also by Dielman, is one of the illustrations for this paper. The poet Whittier contributes worm included.

Low's Pleasant Worm Syrup is used. It is a safe and sure cure for all worms gone out of our establishment during the past twelve months.

If you were to paste end to end all the columns of all the Suns printed and sold last year you would get a continuous strip of interesting information, a most worthy and beautiful Christmas poem, "The Supper of St. Gregory," illustrated by F. S Church. But 'The King- Shore Road, when completed, will be square to the top of mount coperated in the moon, dom of the Child," by a less known poet, leased to the Grant Trunk Railway. quarters of the way back to the moon again Mrs. F. L. Mace, is not less beautiful, and will impress readers with its tender and lofty Christmas joy, while Mrs. Mace adds to it a charming picture of child faces.

This will give the latter road connection with new York. Trains are expected to the globe twenty-seven or twenty-eight times.

It every buyer of a copy of The Sun during the past year has spent only one hour over it, and if his past year has spent only one hour over it, and if his Thackeray's daughter contributes a deligh. the New Year. ful personal sketch of her father's friend. the poet Tennyson, for which he has himself DETROIT, Nov.6-In a sermon at the thirteen thousand years of steady reading, night given her material.
