A LITTLE BEHIND HAND.

Some people are always a little behind hand in all their undertakings; delays are dangerous, and none more so than in neglecting what seems a trifling cold. Prudent people break up the ill effects by timely use of Hagyard's Pectoral Balsam, thus preventing serious lung tioubles.

At a convention held in Waterford on Tuesday it was decided to take steps to take steps to submit the question of adopting the Canada Temperance Act to the voters of Norfolk.

WHAT DOES IT MEAN?

What is meant by "Secretions" in a medical sense? "The secretions" are powers of certain glands and organs of the body to hold and distribute the healthful fluids of the system, such as bile from liver etc. Burdock Blood Bitters regulate all the organs of the ecretions to make pure blood.
