BIG WIONSUIS SALLIE WHICH BEGINS AT 9 O'CLOCK NEXT SATURDAY, 9TH FEBRUARY.

The Canadian Champion.

MILTON, FEB. 7th, 1884.

THE REEVESHIP.

according to statute the nominations were Electoral Reform, -In the ensuing River, Carriboo, at Virginia City, Montana, deluged the earth. So you may know how made, but this was not strictly speaking, at session the Radicals will accept all that and Last Chance Gulch, the Comsteck in old they make the world.

vesterday morning at the Legislature, and bers to the Imperial Parliament. The grazzled old fellows are as keen on the scent wheat over the Southern Pacific to New westerday morning at the Legislature, and on a division of the House Mr. Mowat had a majority of 12. Mr. Meredith, after a long speech, made a motion of want of confidence in the Government in the form of manifement in the form of an amendment to the address. He review ed the speech of Mr. Pardee and cited Mr. Blake's opton as to the safety and necessity of the landlords to the position of ground of the vero power and the invalidity of the boundary award; but when he began to give his version of the Alcoma election a long speech, made a motion of want of confidence in the Government from the landlords. They of the people.

Land.—We shall legislate to reduce the landlords to the position of ground and will have fixity of tenure at a fair ground rent. Either they or the State legislate to Ceur d'Alene wheat over the Southern Pacific to New of gold as ever, and if the Ceur d'Alene died in the Ceur d'Alene dres in the Ceur d'Alene dres in the Ceur d'Alene mines were in Papua, instead of a few hun dred miles from here, they would turn up there are many Macdonalds, McLeans, McMillans, and other Macs here from Prince Edward's Island, most of whom were Tories, but now denounce the Government too, whose first experience of the forty-oriners, but have the pluck. They will take or their day of their chances among the thousands that are going into Ceur d'Alene. And while of their functions.

Weat the speech of Mr. Pardee and cited Mr. Land.—We shall legislate to reduce to recipile to reduce the landlords to the position of ground and will have fixity of tenure at a fair they are the Ceur d'Alene. They will take of the Ceur d'Alene mines were in Papua, instead of a few hun dred miles from here, they would turn up there, they would turn up there, they would turn up there, they were to reduce to recipile to the ceur d'Alene. They will take the care many Macdonalds, McLeans, McMillans, and other from Prince Edward's Island, most of whom were Tories, but now de course to Renad and the Ceur d'Alene. They was a Leadville, Garrisc give his version of the Algoma election a ground rent. Either they or the State are going into Ceur d'Alene, and while cumstances. Of course we have seen nothing feeling display of was made on both sides will benefit by the unearned increment. some will become suddenly rich, others will more authentic than editorial comments in of the house. Mr. Meredith's motion was The occupier, on the other hand, will be be prospecting on grub stakes for years to the Oregon papers regarding the extraordin-

our unabated loyalty and confidence in the he employs. No entail nor settlement of some trouble there before long over the may be, there is no use in trying to supfederal system of government under which who does not cultivate or cause to be not cultivate or cause t we live and while we recognize the fact that in working out that system differences have arisen, and will necessarily arise, as to the respective limit of the federal and proting in the position of the federal and proting in the position of the federal and proting in the propose to back their opinions with revolutions, we feel assured that the control demains. In cities we shall allow every person who pleases to have been that the first claims in Canad' Alexandra and Idaho allow the first claims in Canad these differences may be a ljusted by the allow every person who pleases to buy the first claims in Ceur d' Alene were re- adian Northwest may possess have been exercise of a spirit of moderation and con the freehold of his house of the landlord corded in the nearest land office. That is effectually killed by vicious legislation. at its actual, and not at its prospective, contrary to the custom in placer diggings, For the last two weeks we have had no speedy and peaceful settlement. And we are of opinion that while we should firmly who own property which they do not elect a recorder, and make a survey of the roses even as far north as Port Townsend, latures to regulate the traffic in intoxicating

liquors, as they have heretofore chercised it, steps should at once be taken with a view to the immediate reference of the question | The Police Magistrate held Court on the at each side of the gulch. If there is any of the constitutionality of the Dominion 31st inst. for the hearing of a charge made dispute over the size of a claim, the justice cense act, and its effect (if any) upon the by Inspector Black against Robert Bennett, usually decides with the code of laws made To the Editor of the Champion: laws of the province regulating the traffic of Georgetown, for selling intoxicating by the miners. in intoxicating liquors for determination by liquor on the 25th of December last. finally to determine the matter in con- not guilty.
