SUCCESS IN BUSINESS.

THE CAREER OF A NEW JERSEY ORGAN. BUILDER, DANIEL F BEATTY

Success in business is undoubtedly the result of intelligence, pluck, and enterprise. It is said that the Hon. Daniel F. Beatty, of Washington, N. J., began business in 1870 Without one dollar. Since that time he has built up an enormous Piano and Organ trade all over the civilized world by his remarkable pluck and enterprise. His attention was early turned to music, and i this way he became interested in the sale. and finally in the manufacture of musical struments are in use in all parts of the civilized world. He believes in the free

Mr. Beatty was the man who first conceived the idea of reducing the prices of The "State of Florida" sank through a Pianos and Organs. He new the agents collision with a barque in mid-ocean. Only were making entirely too much profit on them, the same as was being done on sewing machines. He at once began to expose the deception practiced by leading manufacturers, who asked \$450 for an Organ that could be sold for \$90, and still have a fair profit, or \$1,000 for a Piano that \$297 is sufficient for. Then the war began. He Children and persons with weak was ridiculed and misrepresented in a nstitutions have always found great | shameful manner by the monopolists, whose difficulty in taking Cod Liver Oil, and large profits were in danger. No stone was from this fact it has not been universally left unturned to defeat and ruin him. Cirused, but with Northrop & Lyman's culars were printed and sent out, and

ately asserted itself, and a new factory, covering 4 nounces that in that division of the factory is one-third larger in size, with facilities for tons. British Empire last year the excess of manufacturing that are not equalled by any Reed births over deaths was 47,595. As the ning all night, having a complete Edison Electric emigration does not keep pace with the Lighting system, with 300 lights. A special Railexcess of births over deaths, and there is all the expenses of cartage on lumber, coal and a growing tendency on the part of land lorgans, hus saving a large per cent in cost of either large farms or deer parks, the includes a free ride upon Beatty's Switch-Back R. Reatty never forgets the duties of a man and a
