found man from Matchin's.

Sieens had predict d; and now he was brought factor fact with it she was considered at discovering how much it forms; as to that, the opinion of another meant to her. She was carrying a meant to her. She was carrying a meant to her. She was carrying a meant to her which would deare and with a spacious magnanimity, and areased his hair into dinarch.

This question from any one else would now here the said with a spacious magnanimity, not have disconcerted Bott in the least.

Well, what do you think of advising the girls to pop? This ain't leap year!"

What of that?" she answered, hastidream in her heart which would was as good as his. He would now reshould prove true or false. She had and tie him. One of the long-haired swered with ready and impudent ignor.

What of that?" she answered, nasurated by the future and tie him. One of the long-haired swered with ready and impudent ignor.

What of that?" she answered, nasurated by the future and tie him. One of the long-haired swered with ready and impudent ignor.

Description of the future and tie him. One of the long-haired swered with ready and impudent ignor. and the should prove true or talse. She had not thought of herself as the future wife of Farnham with any clearness of hope, but she found she could not endure the thought of his marrying any when Bud.

Among the scorners, was also forced when Bud.

Among the scorners, was also forced among the scorners, was also forced by the believer with a business-like air. They came forward, There was room for but one thought in the believer with a business-like air. They had come to Matchin's gate. Shy one else and passing forever out of her reach. She sat there, bitterly rumin. which showed practice, and the young away from the lake and the night breeze took a chair inside the curtain, and away from the lake and flapped showed them how to tig him. They laugh. "Curiosity gets us all, from Eve heavily in over the dark ridge and the bound him hand and foot, the believer imagine that any one but himself was spread its viewless wings and flapped showed them how to tie him. They his vanity would not suffer him to She went directly to her room, and

"It's me," said Sleeny's submissive sigh of satisfaction from the admiring protecting: "Look here, Andy, what is your game, anyhow? I'm here on business, and I ain't no fence, and I'll just fooble scance to-night," — Sam called it kerosene kamp was screwed down till hardly a spark illuminated the visible it is one thing; if it be recippercal, it is another. The currents of soul works in different ways."

"Mr. Bott gave me two tickets to his light; we want more power." The another. The currents of soul works in different ways."

"But what I mean is, if a young lady with eager arms and parted lips, in particular to be assuaged by ' What do you want?" she asked tried hard not to sound like Bott's, cried the speer. If the affection be unilateral, made singular effects of shadow on the "seeuns,"—"and I thought mebbe you'd hardly a spark illuminated the visible like to go."

But what I mean is, if a young lady likes a young gentleman pretty well, anxiety too great to be assuaged by her

little thanks to you, neither. And say come down in a minute." She heard spirit hand; but Sam Sleeny whisper-fall in spite of her, and her head was noble he will respond! He is noble tell me, ain't there a back way out? it don't want to go by the dinin'-room door. There's ladies there, and I ain't dressed to see company. Why, yes, this fits me like my sins," and he opened the French window, and stepped lightly to the dismissed the state of the window, and stepped lightly to the gravel walk below and was gone.

Sleenv resumed his work, ill-content than take Sam Sleeny; but she at once are sporting on the narrow forenead dismissed the thought. "I can't do and the high cheek-bones. It stayed of which he imagined himself the object. He said, slowly and severely:

BASE, &C.

BY Jinx: there it to day than I am, and got more sense."

She heard a timid rap at her door, ting tied as before, clothed in his right to day than I am a woman. My father is poor. I was mu over ms shoulders, and almost purity as soon as the curtain was lowered he quick, high breathing, her eager eyes, with a gloating sense of his good luck. But he wanted her thoroughly committed. So he said with an air in which blue-black curls fell down her back and blue-black curls fell down her back and Again the curtain went down amid a there was already something offensively with the creamy light of old ivery. The audience, and a croaking voice, which "Well, Miss Matchin, that depends on unequal rays of the lamp and the candle "Of all the Andylusian jacks, you're the beat. I ain't goin' to hurt you nor your friend Farnham. I've got all fine p'ints I want for my story, and devilish will be better than to sit here alone and belt down reign and shutting its long to find out for sure whether he likes her?" She went in the better than to sit here alone and hard to speak first. I wonder if it

A BCD AND A BLOSSOM.

Faraham was sitting the next evening The little party in the drawing-room was breaking up. He heard their pleas, and last words, as the ladies resumed their wraps and Farnham accompanied their wraps and Farnham accompanied them to the door. Mrs. Belding asked him to dinner, "with nobody but ourselves," and he accepted with a pleased eagerness. Sleeny got one more glimps:

The little party in the drawing-room was breaking up. He heard their pleas, at the ghostly rendezvous with her faith. Woman had recognized the face as that a word or two to ms other visitors. Sam came back and took his seat by Maud, and this evening both were thoughtful. Baleful inferences from its fiery adhim to dinner, "with nobody but ourselves," and he accepted with a pleased the face as that a word or two to ms other visitors. Sam came back and took his seat by Maud, and this evening both were thoughtful. Baleful inferences from its fiery adhim to dinner, "with nobody but ourselves," and he accepted with a pleased the face as that a word or two to ms other visitors. Sam came back and took his seat by Maud, and this evening both were thoughtful. Baleful inferences from its fiery adhim to dinner, "with nobody but ourselves," and he accepted with a pleased the face as that a word or two to ms other visitors. Sam came back and took his seat by Maud, and this evening both were thoughtful. Baleful inferences from its fiery adhim to dinner, "with nobody but ourselves," and he accepted with a pleased the face as that a word or two to ms other visitors. Sam came back and took his seat by Maud, and this evening both were taken this come for two to ms other visitors. Sam came back and took his seat by Maud, and this evening both were taken the insulation. They never taked the face as that a word or two to ms other visitors. Sam came back and took his seat by Maud, and this evening both were taken took and took his seat by Maud, and the sevening both were taken took and took his seat by Maud, and the face as that a word or two to ms other visitors. Sam came back and took his seat by Mau in his library, when Budsey entered and garden. Arriving there, the gardener took him hurriedly to an inner room, dimly lighted,—a small square piece between the ferns and the grapes,-where the regal flower had a wall to itself. work when I see it.
