LESSON FOR MAY 12TH.

THE SUNDAY SCHOOL.

THE ANOINTING AT BETHANY .-- Mar.

xiv, 1-9.

on Thursday evening, beginning at sunset. The anointing took place the Saturday evening before that, after the Jewish Sabbath wasover .---"The feast of the passover and unleaven ed bread. - The great feast was called the feast of unleavened bread and lasted seven days. It was ushered i the feast."-Not during the seven days. lest all the friends of Jesus who had rise up to protect their healer and friend .-- " Rethany." -- This was a Roman fortress at the time of Herod. The house of Simon the Leper was outside of the fortress walls. The village was to the east of Jerusalem about two miles on the other side of the Mount Olives. - "Simon the Leper." - Whether

he was cured or not by Christ, alive o. dead at this time, no one can know. At any rate he must have been a near relative of Martha, for she presided at the feest .- "A woman." - Mary, siste of Martha. -- "An alabaster cruise a ointment of spikenard."-This was pro narrow neck, so that the costly of could pour out drop by drop. It was so delicate that the neck could easily be crushed by the hand so that all the ointment could pour out at once. This \ spillemard was an aromatic herb of the valerian family, imported from India or Arabia. This bottleful was worth about forty-five dollars at that time, which is ) equivalent to about three hundred .

This silver coin was worth about six "Let her alone."-So Years. Mary was troubled by these criticisms of a good dinner to accomplish their The Christian can rightfully

to speak the right word or act the true deed. A manful stand on any question of temperance or forbearance at a publ meal is worth more than the same stand at a prayer-meeting. and poured the Oriental perfume on his Luxurious expenditure in love defies criticism when its object is the personality of Christ.

the poor. Christ knew it. So did they all. The Mary's are they who succe scoffers to shame. The power of truth is a thousand fold more potent than

There are many ways of rebuking sin. One effective way, that of Christ, on the right side. Invective against and Greenville has given the "temper evil is seldom as efficient as a silent but ance" orators another chance to say firm stand upon the other platform. It is our turn new to do unto the poor what we think we would do unto Christ Mary built better than she knew. Millions have been stimulated by her)

Helpfulness that is unconscious of self is the kind that will do most good.

How Hypocrisy is Rewarded.

The following is an extract from an

article by Prof. Goldwin Smith, published in Macmillan's Magazine :-"A citizen is manifestly bound in the exercise of his suffrage to consider all the qualifications of the candidate and To the Editor . temperance organizations in Canada a positive remedy for the above named have formally resolved to exclude, so disease. By its timely use thousands of cutting teeth? If so, send at once and get a far as they can, from all public offices, of hopeless cases have been permanent even from that of a school trustee, any ly cured. I shall be glad to send two one who will not pledge himself to the bottles of my remedy free to any of other issues before the country of the they will send me their express and P. gums. most vital importance, but they are all O. address. Respectfully, to be sacrificed to the one end of the every respect to be a legislator; he may even be a total abstainer; but i he does not believe in prohibitory legisbelieve, he is to be excluded from public life, and the state is to be deprived of his services. On the other hand, the most transparently dishonest submission is accepted as a title to supsubmission is accepted as a title to sup-

concealment as to his motive; but he literally covered with black knot.

its ambition."

### FAILURE OF PROHIBITION.

vhether of a local kind or not, have come to the conclusion that it will not in the direction of prohibition was de feated by nearly 50,000 votes, though eft behind by but 15,000. The election all through was of the quietest order, an the resolution that the people had come o, that "Probibition does not prohibit" was grave and well-grounded. And in the same condition of things has own itself. The year 1881 was the ast of the license system in that State, ne prohibition law having gone into effect in 1882. Mr. Nelson F. Acres, Inited States Collector of Internal has recently made the following official statement of the tax stamps issued to liquor dealers under the lav for the seven years indicated :-

The Cleveland Leader, remarking on its beauty yearly, as the number of cluding 'Daddy Jake, the Runaway,' this, says:-These figures are authentic, tourists through that region increases. introduces one of the most characteristic and if any one doubts them they can Placid waters, verdant vales. timbered of 'Uncle Remus's' stories, which is so be easily verified by addressing the mountains and snow-crowned peaks excellent that it would spoil by contrast They prove that prohibition did not ous beauty. That body of water is also tale of Daddy Jake's return. Sarah prohibit at all in Kansas. Under its of special interest to our people because Orne Jewett continues 'A Bit of Color,' operation the sale of tax stamps to of the selection of a site there for a huge and with a perfection of unpretention liquor dealers constantly increased, navy yard for the better defence of the art developes a strong and healthfu until they reached nearly 3,000 and country on the Pacific coast. One of story of New England life. yielded the Government a revenue of the grandest views in that region is Thanet, as 'humble chronicler,' notes \$75,000. There was as much drinking that of Mount Baker, as seen across the amusing features of an amateur after as before prohibition, the only the still waters of Admiralty inlet, as representation of "The Land of Nod," difference being that before there was the main arm of the sound is called. on a plantation.' Frances Courtney a license, and the traffic helped to sup- This is the subject of a beautiful tinted Bayley brings out in dramatic and port the State. We are aware that engraving, 17x22 inches in size, issued sparkling dialogue 'An Old Quarr some people in Kansas still insist that as a suplement to the April number of namely, that between the snowflake prohibition is a substantial reform, but The West Shore Magazine. The and the blade of grass. Mrs. Cather-

### Black Knot on Plum Trees.

At the Massachusetts experminent the resources and progress of those Americans. Boys will be strongly atstation the black knot on plum trees cities, and much valuable information tracted by E. H. Barbour's biography has been treated with linseed oil, tur- about the entire northwest, as well as of a two-headed turtle and regret the pentine and kerosene. These remedies entertaining fiction and yerse, complete 'Queer Pet's' early decease; they will tions found no spores in the warts, it fact, none of the sacks, perithecia, were to L. Samuel, publisher, Portland, Orfore the warts were destroyed by the remedies. When kerosene and turpentine were applied so liberally as to spread about about on the branch and
