"I know." "Dinny, I have not seen him again," said "Not seen him, sor! Why, he has been

The old temple. He would never halted for his companions to alone up hefore to the party of the present, he said. It would never halted for his companions to alone up hefore to the party of the listening to alone up hefore to alone up hefore to alone up hefore to alone up hefore to alone up he to alone up "Now then," the voice said in thick, hus not speak. It is nearly over now. You where he had raised Mary from the altar. the new and useful invention for dethe new and He had no weapon, so he caught up a gone on there, and there's no getting back.

a boat and escaped long ago. All has been For the moment Humphrey, as he bent you suffer for my sake. Hist! "Silence, man, for your life!" was whis-confusion here since—since I have been down there beneath the place on which he hear?"

It was not much, but something, and like a snake. Then fair share and share ness, as she still clung to his hand. at that moment ne recause many near sums of all there is midden away, and stars "It is enough," she said. "Now, go I he shuddened, and a chill of horizon through him, for he knew directly after.

You know the way. Be cautious, be patitived through that captured toin in when he's cone. Ready?"

"Sure, and how could I know anny way, find that she lay back in a corner of the strong?" "You know where he is ?" He hastily bandaged the wound, firmly

force as the tide rose to its fullest height and hand came in contact with Mary's arm, to "And you?" he said. "What will you vault, with a kerchief pressed tightly against loike, whin he heerd you were coming. "Faix, and that's thrue," said Dinny. "I?" she said with a faint laugh; "I her breast. " Where is he, then? Tell me the truth, binding the handkerchief which she held were, and, after placing her in a more com- and I'll let you live this time. Tell me a lie "They there with his own and the broad scarf he "Wait here!" cried Humphrey. fortable position, began to search in the and I'll hang you. "Och, don't, captain! Ye'd waken yet darkness for the food and water which were crew horribly if ye were to hang me." " I'll hang you, as sure as you stand there, The water was soon found—a deep, cool if you don't confess." cistern in the middle of the floor.

"Then why not share my flight? Come his hands came in contact with a coarse bull with me now while there is time. I will there.

"You may make you mind easy, Dinny," gleam of his lantern at the end of the corrid Humphrey, thoughtfully, "the contact." "Murther! Don't, now, captain, for 1 one of the silver cups he had had in use shouldn't die dacently if ye did hang me. above. With this he bore some of the cool It isn't a way I've been accustomed to. Ah, refreshing liquid to the wounded woman, moind! That pishtel might go off." "It will go off if you don't speak. He's holding some to her lips and bathing her brow, till she uttered a sigh and returned to hidden somewhere here, and you know "But you can hide as well as I!" he cried consciousness, her first act being to stretch where. Speak out!" "Shpake out! And is it shpake out?" said Dinny, slowly, as with advanced blade "Don't leave me!" she said feebly. "It Humphrey stood ready to plunge it into the "It is too late," she said, and he felt her shoulder to draw him nearer to her. des end. "Oh, well, I'll sphake out then. "And leave you?" he cried. "I would is very dark!" "But we are safe," he whispered. "They "Yes," she sighed; "I heard them. How "False to one, false to all." "Where is he, then?" roared Mazzard. "Then you do love me?" she cried wild are gone." "Faix, he's in his skin, captain." "You dog!" roared Mazzard. And there ly, as she half rose from the altar, but sunk long is it to day?" "It cannot be long now," he said, as he She sighed as she felt the unwonted ten was the report of a pistol, followed by "Love you!" he cried pationately. "1. have fought with it, I have battled with it took her hand. "Don't-don't kill!" cried a piteous wo "No," she said, softly, "it cannot be man's voice. "Don't kill him! "Not kill him!" snarled Mazzard.

"Not be, sor; and I don't like the look o' of the man whom, with all her faults, she till I have been nearly mad! Love you, derness and rested her head against his wild shrick.

"I am going straight to liberty!" cried things. I've been too much shut up to see evidently dearly loved, and would sacrifice evidently dearly loved. "No-no! Spare him, and I'll tell you. than annything else. But I'm skeart, captain darlin'; and if annything happens—

tain darlin's annything happens—

tai "Bedad, an' if ye do, I'll never forgive death had passed between to separate these ye," cried Danny, fiercely. "Ye don't know vaulted roof scho as he thrust his ingers into lowed himself to be led back stong the data himself upon his knees and clasped not be heart, his face buried in her breast and her hoart and her her heart and her hoart and her heart and her hoart and her her h "Where is he!" roared Mazzard. "Speak " she out, woman, or I'll blow his head off !" Humphrey sprang up a couple of steps to defend Dinny; bu. Mary Dell lay there, and happens, just you go there and lie shing till come to ye; and if ye'll tak' my advice ill keep on putting a dhrop o' wine in sellar and shtoring up a hit o' food. to show himself was to betray her-the wo "That was not love," he said, wildly, man whom he knew he passionately loved. But now tell me about this place—shall we Of himself he thought nothing. But the task of hetrayal to save her loves "You will," she said, softly. "I shall— was spared to Mistress Greenhoys, for, as

"Perhaps! No, you shall!" he whisper ny's shoulder, and his second pistol pointed **Perhaps! No, you shall to ne whisper and used away.

**Carousing," he muttered, and he hesive a sted again.

**A low deep sigh escaped her, and then ed, as he pressed his arm gently around her, close to his ear, so that his second shot should be a some of her position should forgetting everything now of the test save and fail one of his men exclaimed aloud—

**A low deep sigh escaped her, and then ed, as he pressed his arm gently around her, close to his ear, so that his second should be some of her position should forgetting everything now of the test save and fail one of his men exclaimed aloud—

**A low deep sigh escaped her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and then ed, as he pressed his arm gently around her, are the pressed his arm gently around her, and then ed, as he pressed his arm gently around her, and the heart her ed, as he pressed his arm gently around her, and the heart her ed, as he pressed his arm gently around her, are the pressed his arm gently around her ed, as he pressed his arm gently around her ed, as he pressed his arm gently around her ed, as he pressed his arm gently around her ed, as he pressed his arm gently around her ed, as he pressed his arm gently around her ed, "At last!" she said softly, as if to her-"Hark!" she said, as a low shout arose, was a future before them of hope and joy. Mazzard turned and glanced down at the be some chance of obtaining a boat. If e!"

"They are coming back—they will be here "Tell me what I can do—to here you."

"Hold me like that," she whispered, with ed stone which formed the cover of the "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Tell me what I can do—to here you."

"Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with ed stone which formed the cover of the soon! Quick! loose no time! You must be here "Hold me like that," she whispered, with the loose no time! You must be here "Hold me like that," she which formed the cover of the soon! Quick! I loose no time! You must be here "Hold me like that," she whispered, with the loose no time! You must be here "Hold me like that," she whispered, with the loose no time! You must be here "Hold me like that," she which formed the cover of the soon is the loose no time! You must be here the loose no time! You must be he could never nave been—only my wind dream stone had been slightly moved.

"Here, half a dozen of you!" he roared

righting down the strange hesitancy their quarters. I cannot explain; but the upon her bosom, to press it there, so that whom she could believe. A woman's love:

"Lay head!"

"Lay head!"

"Lay head!"

"Little more than an hour could have two trials to raise it up. it was thrust side

"The he could feel the heavy dull throb of her bosom, to press it there, so that whom she could believe. A woman's love:

"Lay head!"

" as if the speaker was panting beavily.

"There's something wrong—I want to put you on your guard. Tell the captain.

"I came here—at great risk," came down, pecially now in that of conjuring up difficulty glace is guarded by a portion of his heart.

For a moment even then he did not reach heard sounds of veices, and once a heavy ways, and the hiding-place revealed. With a yell of savage delight black. Max wild step overla—I this last making him store was heard sounds of veices, and once a heavy ways, and the hiding-place revealed. With a yell of savage delight black is what she meant. Then, with a like what she meant. Then, with a wild step overla—I this last making him store was heard sounds of veices, and once a heavy ways, and the hiding-place revealed. With a yell of savage delight black is two trials to raise it up, it was thrust side.

With a yell of savage delight black is what she meant. Then, with a wild step overla—I this last making him store.

For a moment even then he did not reach heard sounds of veices, and once a heavy ways, and the hiding-place revealed. With a yell of savage delight black is two trials to raise it up, it was thrust side.

With a yell of savage delight black is two trials to raise it up, it was thrust side.

With a yell of savage delight black is two trials to raise it up, it was thrust side. ory he leaped to his feet, for his name was his hand softly toward the sword that may be his his hand softly to "To the death, Humphrey. Oh, my love, that this served to shed a softened days of the more men went down; and there we love! Take me in your arms once. my love. Take me in your arms once through the place—a dawn which which the place in which Hamber is sword snaps.

I more and hold me to your heart. Tell me stronger, but was never in he than a viber to make in which Hamber is sword snaps. that you will remember me, and then lay twilight. It was enough, though, to make the hit and the next minute he me here upon this old st no. with your

me here, upon this old st no, with your him the propertions of the place, its quaint angelee, in which it ampliced a second angelee, in which it ampliced a new allowing the next minute him the propertions of the place, its quaint angelee, in which it ampliced a new allowing the next minute him the propertions of the place, its quaint angelee, in which it ampliced a new allowing the next minute him the propertions of the place, its quaint angelee, in which it ampliced a new allows in the creat chamber minimal him the propertions of the place, its quaint angelee, in which it ampliced a next minute him the propertions of the place, its quaint angelee, in which it ampliced a next minute him the propertions of the place, its quaint and the constitution of the place is a next minute him the propertions of the place. long shaft which opened out far above his tween two of Mazzard's men; and Mari me nere, upon this old at no, with your him the proportions of the place, its in the place, its in the proportions of the place, its in the place, its interpretable place, its interpretable place, its inter only a dhrame."

"Dinny," said Humphrey, "she would of the came in contact with tree-trunk or panion, he felt himself led with unerring destrained out among the mouldering of the came in such haste if there had out among the mouldering of the mouldering of the came in such haste if there had out among the mouldering die it shall be together?" he panted, as he would mouldering stone; but the greater the difficulty and, as he yielded it to his complete the conqueror of then?"

"Dinny," said Humphrey, "she would mouldering stone; but the greater the difficulty and, as he yielded it to his complete the conqueror of then?"

"Dinny," said Humphrey, "she would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone; but the greater the difficulty and, as he would mouldering stone in such haste if there had

It was not until the next morning that he a rustling sound, as of a wild creature passed. We may be heard."

Now then, you! he cried to his about her to implest; and is Humphrey Arm.

"You need not ask," she said feebly.

about her to implest; and is Humphrey Arm.

"You need not ask," she said feebly.

"You need not ask," she said feebly.

"He missed before—the blow was true this sing through the forest, and he snatched his sing through the forest had been dearly as the daw found Humphrey still watching. there were no denizens of the wild there but to his hand.

The such as were more likely to avoid him, he There they remained in silence as if phrey, as the sword quivered in his graspe two pages to open the likely to avoid him, he There they remained in silence as if well we shall want a slave to open the likely to avoid him, he There they remained in silence as if well we shall want a slave to open the ber as the sun rose, in which as were more likely to avoid him, he There they remained in silence as if phrey, as the sword quivered in his grasp, he felt that he had won the love of as hand—which as any upon whom his eyes some a woman as any upon whom his eyes some a woman as any upon whom his eyes threat implied in the order seemed too horrible to be believed, and for the moment he had ever lit.

Such as were more likely to avoid him, he whom his eyes some a woman as any upon whom his eyes threat implied in the order seemed too horrible to be believed, and for the moment he had ever lit.

The were forcing himself to say words that he that you are there. You will go to the end the stone it easily revolved, and ne stoop—
The storm, Diany? said Humphrey.

The were forcing himself to say words that he that you are there. You will go to the end the stone it easily revolved, and ne stoop—
The storm and the storm and the storm are the storm and the storm are the storm and the storm are the storm are the storm are the storm and the storm are "Sure an' I don't know, sor; but I'll kape did not mean, "why do you not strike? I of your couch, press heavily with your ed once more and raised the fainting meant what he said, and then, reading the captain, it shall be like a man."

| Sure an' I don't know, sor; but I'll kape did not mean, "why do you not strike? I of your couch, press heavily with your ed once more and raised the fainting meant what he said, and then, reading the captain, it shall be like a man."

| Sure an' I don't know, sor; but I'll kape did not mean, "why do you not strike? I of your couch, press heavily with your ed once more and raised the fainting meant what he said, and then, reading the captain, it shall be like a man."

| Sure an' I don't know, sor; but I'll kape did not mean, "why do you not strike? I of your couch, press heavily with your ed once more and raised the fainting meant what he said, and then, reading the captain, it shall be like a man."

| Sure an' I don't know, sor; but I'll kape did not mean, "why do you not strike? I of your couch, press heavily with your ed once more and raised the fainting meant what he said, and then, reading the captain, it shall be like a man."

| Sure an' I don't know, sor; but I'll kape did not mean, "why do you not strike? I of your couch, press heavily with your ed once more and raised the fainting meant what he said, and then, reading the captain, it shall be like a man."

| Sure an' I don't know, sor; but I'll kape did not mean, "why do you not strike? I of your couch, press heavily with your ed once more and raised the fainting meant what he said, and then, reading the captain, it shall be like a man." throats and end it all."

this direction, and then the great stone into the tomb-like structure and place ner shook her head again.

"No," she whispered.

"You asked me of savagery crossed his evil countenance, at the daring displayed. Then a grim look evil countenance, of my wound. It is home. Humphrey at the daring displayed.

There is a way at the foot of the broad stone stairs which led into the vault. neck and passed quickly up again, there "What!" he cried. "Oh, no! no! no! three ropes we want, I see. Come on."

men; but at this moment a solitary shot "You were trying to escape, or did you in hiding there till the wretches are on their flashed from the folds of the curtain, and as flashed from the folds of the curtain, and as great curtain. So close were the men that So close were the men that great curtain. So close were the men that flashed from the folds of the curtain, and as great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. There was such a depth of love, such in the report reverberated through the great curtain. "Know!" said Humphrey, involuntarily by night down to the landing-place, and by speaking lower. "Know what? I was essent a lower when I was essent a fall; but as they saw Bart come forward,

rage, and they advanced once more to the "No," he said, "there is nothing."

The shout was followed by a muffled sound of many voices, and he listened, wondering what it meant. Some discovery had evidently been made, but what? He shuddered, and a chill of horror shot

had time to think of this. Listen! These men will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and, as he laid her gently will search every spot to find and slay me— the great stone, and clasping — ary Dell's waist, and clasping will search every spot to nnu and stay me— the greate stone, and, as he had not gone of the coming gang could of yourself. You will wait here two days, who would attack. do nothing but dhrink and shlape, and the captain's shut up all alone whin he isn't down dropped nerveless, and the weapon fell from chamber, known only to me and Bart—who There was not a moment to lose, and any way down to the shore. You know the should way down to the shore. You know the should want to the shore and helpless: but he slip in his instructions would have resulted his breast as the shouting of men increased. The should wonder and helpless: but he slip in his instructions would have resulted his breast as the shouting of men increased. The should wonder and helpless: but he slip in his instructions would have resulted his breast as the shouting of men increased. his breast as the shouting of men increased. lies wounded yonder and helpless; but he slip in his instructions would nave resulted upon the nearest, and in a monaritie for it "Well," said Humphrey, bitterly, as if will not betray the secret, even if he thinks in destruction; but as he pressed against "HI do not you will guide me," he said upon the nearest, and in a monaritie for it will not betray the secret, even if he thinks in destruction; but as he pressed against the least of the least of

Will be neard.

"Well," said Humphrey, aloud, as if in "You need not tell me," said Humphrey and passed quickly up again, there "Whether the control of my wound. It is home. Humphrey and as drew his sword.

"Now, my lads," he said at this point. "I know."

piece in hand, their hesitation turned to

inches, for someone had seated himself upon and tables were completely turned.

camily; but me work may be made as a soon as he was alone he tried to analyse them.

Yes; and you will escape. And in the muffled voices came close up, the steps trampled here and there, sounding dull and trampled here and trampled here and trampled here and there, sounding dull and trampled here and there, sounding dull and

Heaven's sake don't speak like that!"

Coursed an over the place, searching in an any of the place, searching in any of the said gently, after listening for directions, and were about to go, when, all directions, and were about to go, when, all of the place overhead.

When the said gently, after listening for directions, and were about close to the place overhead.
