CLOTHING DEPARTMENT.

Lous, -- Yes! We know that your boy needs a nice, new suit and that you are intending to buy him one. The question that is agitaliny your minds is, "where can I get the most stylish, best sitting and prettiest suit for little money.' Perhaps you did not know that we had the largest, cheapest and prettiest stock of Clothing in the county? Well we have! You have seen those nice Inveed Suits on the boys in town with belts and pleated waists? They were bought from us. The best of it all is that the prices are so low that they sell every time. You remember we bought a lovely stock a short time ago, made for the city trade, at very much reduced prices and we are selling correspondingly low. Come and see the stock; it will please you; it does the boys.

™MEN'S CLOTHING

All that we have said about the styles and prices of the boy's clothing applies with equal force to our Men's Clothing. Men! We have not forgotten you in this important matter of wearing apparel. We have a first-class clothing man who will be pleased to show you the stock. You will find it in all its beauty on the second flat of our Mammoth Cheap Store, Main St., Milton.
