Washington, D. C.

Washington, D

By Walter Besant, author of "For Faith and Free Lord."

The position, in fact, of the New the primitive Church as described in the earlier chapters of the Acts of the Apostles. The speaker pointed this out with great care. As in those days of simplicity and faith, so in the connection all were equal-the brethren did look as if the average weekly wage was from thirty-five shillings to two Mansonl? Tinting, pounds a week. As in the early days, so in the connection, if one were to

grow rich-the thing seemed too reamong all. There was true brotherly love among them—where else outside entered the amount in a little book. the connection could that be found They had no priests, but all were equal And as to the gift of prophecy and tongues, where, outside the connection, could it be found at all-oh! where else-where else than in this humble chapel of a few chosen believers, snatched from the wilderness of the

Flavia and the chevalier nodded approvingly as each point was made. himself, "did the prophetess know me." When it came to the last Felix in his corner contorted his limbs and hung

Then the harmonium played a few chords, and the people began to sing, sitting in their places, a long, chanting, opinions are strongly impressed upon ride; he could tell stories; he could verse by verse, and produced a most modified or abandoned. For instance, this Oliver learned afterwards-play strange effect upon one at least of the we used to be taught by certain alle- every game of cards and perform all being mesmerized, or were inhaling moment-say when one had arrived at amusing toys. The knowledge was laughing gas. Already he felt his head the great age of eighteen—a choice extremely useful to him, though he swim, his limbs tremble, his senses would be offered us—a choice for life— kept it a secret,.
