Head, skip, ter how they may talk between elections Conservative Patrons may be counted on to vote the old party ticket when wanted. The recent bye-election in play an equal number of Milton novices Halton has given the Government good reason to believe this.

Twelve Election Appeals.

OTTAWA, Feb. 16.—The Supreme Court met to-day, all the judges being on the bench, except Judge Fournier. result of this is that Mr. Bowman and the rink to-day, Milton vs. Guelph

The Bellechasse election case-Am- that owing to the illness of several of court held that the petitioners should postponed have, according to the statute, proved that the petitioners were bona fide electors, and accordingly allowed the appeal with costs and dismissed the petition with costs. This confirmed Mr. ed Milton on Wednesday of last week. Amyot in his seat.

The next case was the Argenteuil case. Dr. Christie, the sitting member, day of last week. appealed from the judgment of the the court below on a preliminary objection that the deposit made by the petitioners was insufficient by reason of th receipt stating that \$1,000 had been deposited in bills of the Dominion Bank once more seen on the street, after of Canada. The appeal was dismissed [having a trial with that "fell monster" with costs. Dr. Christie will retain his la grippe. seat for the session.

The next case was the Laprairie case, week and cut about 40 cords of stove Gilbert v. Pelletier. In the Laprairie wood in four hours. Of course they had election case the court allowed the ap- a sawing machine. peal and remitted the whole ease against Mr. Pelletier, Conservative, for started the foundations for extensive trial to the court below.

The Prescott appeal was dismissed and the judgment of the court below unseating Mr. Proulx was confirmed. In the West Northumberland case Mr. Hargraft, M.P., Liberal, did not appear to press his appeal against the decision unseating him, consequently the appeal was dismissed. The North Perth appeal was dismis-

sed. This confirms Mr. Grieve, Liberal, in his seac

Halton vs. Q T.R.

. ... -

The following letter, which will be interesting to Haltonians generally, was received last week by County Treasurer Campbell: Toroxio, 11th Feb'y, 1892.

D. W. Campbell, Esq., County Treasurer. Milton.

HALTON VS. G.T.R.

Blake and Mr. Cassels appearing for to "trip the light tantastic" were not over \$2,000,000. the appellants. At the close of the disappointed. argument judgment was reserved. I What should be a warning to some of increased \$2,264,637. Our gross debt frigate Chesapeake, off Boston, in 1813, do not think the appellants succeeded while coming from his house over to deficit of \$1,153,293. first was inclined to consider that the the road and accidentally fell, his leg opening an immigration office in the claim by the county was, under the cir- bending under him and breaking about maritime provinces. I am satisfied that the consideration of the whole matter ment expressed himself as satisfied suburbs. case as completely or fully as they had same old "Bill." done in the Court below, and he said sult would be any way different from the previous judgment. That in his opinion the appellants had made i. case to induce the Court to vary the every hope therefore of a successful enjoyed by all who were present. termination of this litigation. Yours truly,

The l'atrons Are Moving.

JNO. BAIN.

It is evident that the Patrons of Industry are going to make an energetic effort during the coming session t secure a reduction in the duties on certain commodities if petitioning can do it. Already printed forms of petition are being circulated for signature throughout the country, and one of these reached the Department of Agriculture to day, signed by a large num ber of persons. The petition represents McGreevy and the Globe in the crusade about 50 majority and Mr. Bowers in in 1886 in Chertsey, and in 1885 Mr. that the agricultural interests of the against Sir Adolphe Caron, the new Digby by 308 majority. Mr. Borden's Hankey's majority was 1,980. country are not in as prosperous a con- Postmaster General and ex-Minister of majority at the general elections was dition as the farmers desire, and that War had better prepare himself for the 161 and Mr. Bowers' 78. tariff legislation for the purpose of seclusion to which Sir Hector Langevin assisting the manufacturing interests has been driven, and towards which of the country had been taken advan- Count Mercier is enroute at express tage of by the manufacturers to unduly speed. enhance the prices of many articles which are indispensable to the farmers in carrying on their vocation. The petitioners therefore pray that coal oil, binder twine and iron and its products be placed on the free list .-----Truth in His Taunt.
