Canada at the Fair. Canada enjoys the distinction of havofficials, with the exception of building a pavilion—for the shame of which castle, the inspector lying prostrate, manner as to challenge hearty the admiration and cordial commendation of visitors. The Dominion was allotted a very prominent position in the Horticultural Building, just a step from the door as you enter from Sixtieth street, of Barrie and A. E. Scanlon of Bradbeen committed for trial. and has filled it with as choice a lot of vegetables as ever were seen at the Toronto Industrial or any other of the great Canadian exhibitions. The Central Experimental Farm at Brandon and after a number of witnesses were at once but pine trees, a few years ago. The A number of witnesses were examined for the British market were shipped other vegetables, turnips, mangolds, and a verdict of \$5 and costs was refrom Walkerton Saturday night. They turned against Agnew. the benefits of cattle and sheep feeding, and realize that in that direction lie their hope and profit out of farming operations. Mr. James Barclay, Burkholder, of Buxton.

Welcome to Laurier.

OTTAWA, Ont., June 19 .- The city is commencing to don its convention attire to-day. This morning's train brought a number of delegates from the west; join the goodly number who have al-Balfour, M.P.P., and a number of others. At noon Hon. Wilfrid Laurier arrived by the Canada Atlantic. He was met at the station by the representatives of the Reform Party, and on behalf of the Liberal Association of Ottawa was presented with the following address:

Stepmother; that she got rid of the bloody evidences of guilt and came downstairs in time to greet her father upon entering; that Bridget having gone to the attic, she slew her father, again got rid of the evidences of guilt and called in Bridget and the neighbors. It was endeavored to be proved that the world and the stone from International Interna

honor you for your personal courtesy and for the when she must have killed Mrs. Borden, now investigating these. The comlofty ideal of political life which you hold and if she did it at all, Bridget saw her missioners say they will investigate

of their devotion to you have been more widespread striking ten blows. She must have remains to him. Fortunes are some-

We believe that the people of Canada are to-day looking to you, not merely as the honored leader of a great party, but as the hope and pride of our which she did the deed, which, if it We welcome you to Ottawa not as our leader only, but as our friend and guest, and we believe that this day marks the beginning of a new era in the cause of the Reform party, which shall henceforth know od to its place in the celler. Sixth silver, even when estimating that in in the position for which your character and great none of the little accusing facts, such the treasury at its present bullion
