And County of Halton Intelligencer.

Canadian Chambion.

MILTON, THURSDAY, AUGUST 3, 1893.

We trust this year's havest is proving a satisfactory one to all. The hay crop this year is exceptionally heavy. Fall grain too is proving satisfactory in most sections and the spring grain equally so from the different reports which have reached us. Fruit is quite abundant throughout this section, especially cherries, which proved an entire failure last year. On the whole we believe the prospect for brighter and better times this year are good. Now with such pros- went on, 'are times of interest. We inertness of the mass. Make the work. gain. Think of the lightness of heart, trouble.
