Splendid Suits to order for \$10.00.

A word to Wool Growers—We are still 17 The old rule for distinguishing a mushroom from a toadstool, "Eat it, and if you live it's a mushroom," does character which are very interesting.

The old rule for distinguishing a sonage story, "Spindles and Oars," and if you live it's a mushroom," does character which are very interesting.

Co's Limehouse stock of yarns and unshrukahi LEGAL. Mission, New York. The Scotch par- and will give you the highest price in cash or trapaid, except at the option of the sonage story, "Spindles and Oars," not satisfy the average person. Neither the Cornish story presents some particles the continuation of the Cornish story presents some particles the continuation of th former, must be blinded by national prejudices. Had the duke been beaten at Waterloo history would have constituted as the control of the instincts of the original at Waterloo history would have constituted by national prejudices. Had the duke been beaten at Waterloo history would have constituted by national prejudices. Had the duke been beaten at Waterloo history would have constituted by national shift for themselves. The have results are not prejudices. Had the duke been beaten agained the instincts of the original with the aid of effective pictures by Fish Warden John W. Hague has received a letter from Smith Agnew, of fungi are mushrooms, the toadstools are mushrooms, the toadstools by the firm of Ringwait & Agnew, of this large with the rest. Moreover, many un.
