3 O you read The Cosmopolitan Magazine? PERHAPS you think that at 15cents it cannot equal the more expensive periodicals???

Here is a pact of the contents of a single number—for December :

RUDYARD KIPLING, MRS. BURTON HARRISON, | WM. DEAN HOWELLS, ALBION W. TOURGEE. MRS. SPENCER TRASK, James Whitcomb Riley, Edmund Clarence Stedman,

Sir Edwin Arnold. ILLUSTRATIONS BY Remington, Toche, Van Schaick, Turner, Reinhart, Gibson,

A great monthly feature of The Cosmopolitan Magazine is its literary department, "In the World of Art and Letters," where the best books of the month are discussed or noted. You can absolutely rely upon the candor of what is said. It is conducted by eight of the most famous critics of the world, including Francisque Sarcey, Friedrich Spielhagen, Agnes Repplier, Andrew Lang and I. Zangwill.

Besides all this, the December number contains an article on "The Relations of Photography to Art," illustrated by a series of beautiful faces; a travel article by Napoleon Ney, grandson of the Marshal; a charming sketch, beautifully illustrated, of Queen Margherita; an article on "Musical Instruments of the World;" and another of the "Great Passions of History" series, to which James Anthony Froude and Edmund Gosse have been contribut. ors. And all this for 15 cents, or \$1 50 a year. You might be charged more than 15 cents for such a number -- 25cts., 35cts., even \$1, but could it contain better material?

By special arrangement with the publisher of this magazine, we are able to offer our readers The Cosmopolitan and the CHAM-PION both for one year, by mail, postpaid, for \$2 25.
