him off the trail," she continued after a "Oh!" she cried with soorn. "You have through want of food, which I dared not short pause, in which she seemed to have your orders, have you? The murder is out. somewhat recovered herself. "I distrusted But, from whom, sirrah? Whose orders him from the first, Anne; from the first, are to supersede mine? I would King Yet, do you know, I never feared him as Harry were alive, and I would have you the stocks, the pillory, the cart tail—so I did Master Clarence, and as it was too whipped to Tyburn. Speak, rogue. Who

end what to do or how to escape him. Bu "Who-Master Clarence?" asked she she was a woman. When she next spoke there was a marvelous change in her. Her and I will thank you on my knees, and

gy. "The times may change. A little more and Wyatt had been master of London last year. Now the people are fuller streets-England will not endure them

He shook his head sullenly. "I dare not
