S. Barfoot, a private banker, of Chatham, Ont., suspended on Monday, The liabilities are estimated at up wards of \$200,000, of which about \$50,000 is owing to depositors. Barfoot published a letter to his depositors stating that with kind assistance he will be able to pay dollar for dollar to all of them, with four or five per cent. interest.

A deputation from the Bankers' scction of the Montreal Board of Trade waited on the Finance Minister on Saturday, and represented that a large amount of American silver and small silver certificates were in circulation, displacing a similar amount of Cana dian currency, which has a gold basis, while the American certificates are only payable in silver. They asked Mr. Foster's advice and assistance on the matter, and the Minister of Finance promised to look into the matter.

Vice-President and General Manager Hays, of the Wabash railway, has accepted the position of general manager of the Grand Trunk railway. Hays's contract with the Grand Trunk Railway Company covers a period of five years, and his salary is to be \$25. 000. He is to have absolute control of the road, and is not to be hampered by specific instructions, except as to t. general policy of the road, from the English Board of Directors. He is the youngest man in the country to occupy so important a railway position,
