APPEALEDFORANDRE

A SCENE FROM DR. MITCHELL'S REV-

In Dr. S. Weir Mitchell's novel of the merican Revolution, "Hugh Wynne, The Century Magazine, is the following interview between the hero, Hugh Wynne, and General Washington immediately following the sentence of Major Andre. Wypne seeking to induce Washington allow Andre to die a soldier's death: A huge fire of logs blazed on the great kitchen hearth, and at a table covered The ringing in of a farmed-out pro with maps and papers, neatly set in order,

fessional pitcher into the Halton Peel the general sat writing. League by Acton is in keeping with He looked up, and with quiet courtesy the Hardy alias Gould episods of last said: "Take a seat, Captain Wynne." The Acton Free Press still eyades any discussion of the Hardy business write. His pen moved slowly, and he paused at

the utmost deliberation. I was favorably placed to watch him without appearing to do so, his face being strongly lighted by the candles in front of him. He was dressed with his usual care, in a buff waistcoat dered hair drawn back to a one and care-The face, with its light blue eyes, ruddy cheeks and rather heavy nose above a strong jaw, was now grave and, I thought. stern. At least a half hour went by before

he pushed back his chair and looked up. I am fortunate as regards this conversateam of the club. The Acton ball. a diary which, however, has many gaps and is elsewhere incomplete. "Captain Wynne," he said, "I have refused to see several gentlemen in regard to this sad business, but I learn that Mr. Andre was your friend, and I have not forgotten your aunt's timely aid at a moment when it was sorely needed. For cause of her death was cancer of the managers ever since the organization | Captain Hamilton and the marquis I am of the local league has been anything | willing to listen to you. May I ask you It to be brief?" He spoke slowly, as if

> I replied .uat I was most grateful; that I owed it to Major Andre that I had not long ago endured the fate which was now "Permit me, sir," he said, "to ask I replied that it was when, at his excelmistake. It has resulted in the dis- lency's desire, I had entered Philadelphia

> bandment of the league for this season as a spy, and then I went on briefly to re-

for you? As to this unhappy gentleman, his fate is out of my hands. I have read the letter which Captain Hamilton gave Guelph's farmed out pitcher, Steiber, me." As he spoke he took it from the table and deliberately read it again while I watched him. Then he laid it down and looked up. I saw that his big, patient eyes were overfull as he spoke. "I regret, sir, to have to refuse this most natural request. I have told Mr.

Neither shall I reply. It is not fitting On Monday Steiber, the Guelp. even proper that I assign reasons which I said, "Your excellency, may I ask but "I am at your disposal, sir, for so long.

I hesitated, and, I suspect, showed plainly in my face my doubt as to the propriety of what was most on my mind when I sought this interview. He instantly The Canadian League has disbanded guessed that I was embarrassed, and said, for the season owing to the withdrawal with the gentlest manner and a slight

"Ah, Mr. Wynne, there is nothing which can be done to save your friend, nor indeed to alter his fate, but if you desire to say more, do not hesitate. You have suffered much for the cause which is dear to us both. Go on, sir." Thus encouraged, I said: "If on any The shoot between Burlington and

Milton gun clubs on Labor day was at pretext the execution can be delayed a tor cattle, on the Dempsey farm.—W. ately Mr. Parsons managed to save the 30 blue rocks—15 at known and 15 at week, I am ready to go with a friend"—I counted on Jack-"to enter New York in disguise and to bring out General Arnold. I have been his aid, I know all his habits, and I am confident that we shall succeed if only I can control near New York a detachment of tried men. I have thought over my plan, and am willing to risk my life upon it." "You propose a gallant venture, sir, but it would be certain to fail. The service would lose another brave man, and 1 should seem to have been wanting in de-

cision for no just or assignable cause." I was profoundly disappointed, and in the grief of my failure I forgot for a mo ment the august presence which imposed on all men the respect which no sovereign "My God! sir," I exclaimed, "and this | HARRISON-DUNN-On Wednesday, Sept. could have inspired. traitor must live unpunished, and a man who did but what he believed to be his duty must suffer a death of shame:

Then, half scared, I looked up, feeling that I had said too much. He had risen before I spoke, meaning, no doubt, bring my visit to an end and was standing with his back to the fire, his admirable, figure giving the impression of greater height than was really his. When, after my passionate speech, . looked up, having of course also risen, his face wore a look that was more solemn

than any face of man I have ever yet seen in all my length of years. "There is a God, Mr. Wynne," he said, "who punishes the traitor. Let us leave this man to the shame which every year must bring. Your scheme I cannot consider. I have no wish to conceal from you or from any gentleman what it bas cost me to do that which, as God lives, I believe to be right. You, sir, have done your duty to your friend. And now may I ask of you not to prolong a too painful
