Have you ever tried shopping by mail? Do you know that millions of dollars' worth of goods are bought each year in this way. There are immense stores in the United States that do a mail order business entirely. There are stores in Canada with very extensive mail order departments in connection with their other branches of business. This store is one of them. We serve thousands of customers in all parts of Canada through this branch of our business. We guarantee entire satisfaction to everybody and in every instance send only the best goods in stock.

If you cannot get to Hamilton, send us an order by mail.

## Sewing Machines.

Did you ever hear of anybody paying \$45 or \$50 for a Sewing Machine and not think that they paid just about Lot of Child's Hoods and twice what it was worth. We have made a thorough study of Tam O'Shanter Hats, worth machines and are convinced that their proper value is about 45c and 60c., all for 25c each. \$20 to \$30 and those are just the prices that we sell our machines for. Now this is how we do it-

1st-We buy immense quantities.

2nd—We insist upon getting the best machine. 3rd-We have our own name on each as a guarantee.

4th—We have only one price. 5th-We sell for spot cash only.

6th—Every machine that leaves this store is a living advertisement.

Now if you are interested at all in Sewing Machines we want you to come and have a look at these Machines. We do not allow any Machines out on trial, but will be pleased See our Square Corner Boys' and Men's to have you come to the store and test them in any way
