Discriminatory Dutles Again.

New York, Nov. 29.—Many millions of discriminatory duties on goods; brought into this country by way of against the imposition of such duties, al Appraisers has fixed Wednesday, Dec. 15, for the hearing of testimony and arguments on these cases. From fifteen to twenty cases, representative of all the rest, will be selected for consideration. These typical cases will cover all classes of importations coming to the United States, through Canada and other foreign countries. Although the United States Attorney General imposition of those discriminatory duties, the customs officers on the Canadian border have not received any official instructions to discontinue the collection of such duties.

The Munroe Doctrine Again.

Berlin, Nov. 28 .- The State Department at Washington has requested United States Ambassador White to ascertain exactly the intentions of Germany with respect to the claims o Herr Lueders, whose recent imprison ment in Hayti has caused friction between the German and Haytian Governments. Mr. White has also been instructed, if any scheme of annexation exists or if there is an intention to make an excessive demonstration, with a view of unduly punishing Hayti, to intimate to the German Government that the United States could not toler. ate either of the courses before mentioned, though in principle having no objection to Germany obtaining satis-
