From The Chatham Banner Everyone living in and around the village of Wheatley knows Mr. Peter Sippe, who has been a resident of the place for upwards of twenty years, and who during the whole of that period up to last year was a constant sufferer from acute rheumatism, complicated he joined the 21st New York Volun etc., and at one time rode eighty miles at a stretch, carrying despatches through the enemy's lines. On auother occasion he was on horseback for matism. To a correspondent of the Banner he said: "I never expected to be any better in this world as I had tried scores of medicines which brought me no relief at all. Sometimes for me greatly and my nervous system seemed completely shattered. Tougue can scarcely tell how much I endured during those long and weary years siderably better. Hamilton. Dear Sirs :-

The Sloan Medicine Co,,

For years I was troubled with periodical sick headaches, The C. P. R. has just issued a map being affected usually every Sunday, and used all the remedies that were advertised as cures, and was treated by almost every doctor in Guelph but without any relief. One doctor told me it was caused by a weak stomach, another said it was hereditary and incurable. I was induced by a neighbor A duck and goose on George Kelly's to try Sloan's Indian Tonic, and am happy to say I did so. A few doses gave immediate relief, and one bottle and a half made a complete cure. This was three years ago and the headaches have never returned. I was also troubled with asthma and nothing helped me like
