It could be relieved and being affected usually every Sunday, and used all the remedies that were advertised as cures, and was treated by almost every doctor in Guelph but lish and Spanish. Every New Mexican ent temperament required different treat- without any relief. One doct or told me it was caused by a weak stomach,

domen also helped. But the surgeon final- gave immediate relief, and one bottle and a half made a complete cure. This was three years ago and the headaches have never returned. I was also troubled with asthma and nothing helped me like Hunting An Incident Indicating the Seriousness of keels, would make voyaging in the most your Sloan's Indian Tonic, I can heartily recommend it to all and will be glad to give any particulars to any one afflictek as I was.
