ment and breathlessness. Bruce, biggest of Newfoundlands and best of and my voice must have been strange changed to a yelp of delight, and he senses?" flew at me, nearly knocking me down While we wrestled and caressed, I, vainly endeavouring to escape and get forward, my mother was upon me with a warmer, tenderer embrace, and a joy that exceeded Then my father, wondering what all the commotion was about, laid aside his pipe and rushed forth to investigate. And there we were, a solitary group in the deepening gloom, changing greetings that were mostly silent, for somehow speech would not

Ah, me, that was two score and five years ago! The world is all changed since then, and I am changed with it, but that home coming is vivider in my niemory than are the doings of vesterday.

CHAPTER III. THE INTERVIEW-A GREAT SUR-PRISE.

So much had to be talked of, so many questions asked and answered. that it was far cast bedtime before any reference was made to the business which had brought me.

speak, I began very humbly. We have said nothing about the subject of my letter, Andrew," said my father, looking at me wistfully "because you must be fatigued, but Licensed Auctioneers for when breakfast is over to-morrow we will, by the grace of heaven, have the matter discussed and settled. you shall obey me without troubling "Very well, sir," . I answered, shall hold myself ready at your con-

venience." Both he and my mother smiled approvingly at this, and having seen me Omagh P. O. to my chamber, and assured themselves that all was comfortable, they I said I was ready, but it was with the readiness of the criminal who finds punishment inevitable, and desires to have it over as quickly as may be. Though I was weary, I could not sleep.

My brain throbbed like a furnace, and every nerve was a quiver. Among other scenes I might have argued my self into the solacing conviction that was but an innocent cause of the disappointment that on the morrow must overwhelm my father and mother, but amid the old surroundings, with their eloquent tokens of affection, the sense of folly and disobedience was maddening. At times . could have risen and rushed from the house; then again I felt as if I must go to my father and have the miserable business ended at once. The more I thought the more terrible my guilt appeared. Fortunately even remorse has its limits, and at last . I awoke in the morning with a queer idea of having been travelling in a

father in a haze of uncertainty. was all affection, a circumstance that added to my embarrassment. A further cause of embarrassment was that the introduced the business of my visit as if already settled except in de-
