We are now in a position to deal with the public on such a basis as should enable us to compete with any city house, so far as price and quality are concerned, having made such changes in our business arrangements as to reduce our expenses to a mere fraction.

In future we will do business under the name and style of HEMSTREET BROS., and we will be found in our new premises, where we hope to see all of our old customers and lots of new ones.

We have still a large amount of winter goods on hand which we will clear out at a sacrifice before our new spring 20 goods come along. Bed Blankets, Horse Blankets, Overcoats, and all heavy winter goods will be sold at less than
