H. B. M. Miller.

is, cold comparatively, it having reach. job of it, and am now "real sweet and ed ten below zero almost every night. | clean'; that is, for up here. But we are very comfortable in our. Four more boats came in this after- aminer correspondent, was here, and tent with our three stoves up. One of noon, which makes twenty that are was in a cabin about six miles up the the boys is a good cook, and we get on landed at this place. There are a half Klondyke. I got Al., and off we trudgfinely. Yesterday Frank, Jim and three dozen or more log cabins here, and ed to his place. Here, thank God! other boys in the crowd took picks, several now in process of construction. got some little encouragement. shovels, guns and provisions to last a Our present quarters are located on an where else it would have seemed big, week, and started out to prospect Hen. island, so I ascertained to-day, right at but here it is only a drop. He gave derson Creek, which is close by here. the mouth of the Stewart River. It me an order on the Alaska Commercial They expect to go about 20 or 25 miles must be a big one, as I have been in Co. for \$500 and took my draft on Mr. up, and if good indications are found both directions from our tent, at least McKay, payable in San Francisco, for will locate a claim for each of us. The three-quarters of a mile.

from their prospecting. have plenty of provisions and clothes and are more densely covered with across two men from Seattle, who had and will keep him until I come, at trees than the mainland. least; and the boys I am with tell me not to worry, because as long as they are here I shall be provided for. S you see at present I am all right. anxicusly await Magill's return, that may hear definitely how things are. am also in hopes that the boys who there, and will bring with them a moose or elk, a bear, lynx, wild cat, or

belonging to the Chehalis folks. Stewart River, Oct. 26th float our boats; and as we could do a devil of a pickle should we run on a It would simply mean that the starting. We are all anxious to get to Dawson, but do not care to run any risks that are not necessary.

we lost our outfit I was all o. k., and thing; but with things as they are, offered for flour; that a strike was on money, in a place where above all work, and that even when work could others the first two are such a necessity, I can assure you the position of by persons with food; that hundreds things is somewhat different; hence addition to this, hard work does about stiff from rowing and from loading and unloading the boat in the morning and at night, that I feel like a man 60 years old; and my gray hair and beard make me look like one too. If I have had one I have had 20 men guessing at my age, now that it completely covers my face, would ever recognize-me were I to July to prepare for them. walk into the house just now.

There is a ridiculous side to the commence with, when I jumped out of whole affair, and I can't help but laugh the boat with the line, the ice broke MRS. WINSLOW'S SOOTHING SYRUF has been used h when I get my stomach full and am through with me and I went up to my warm and dry. These three essentials knees in the water. Gosh, but it was a man must have up here before any. thing appears funny to him. Talking about my stomach being full.

heard of, in which respect I am like tent, which, by the way, was occupied Stomach and Bowels, o everybody else. Without any exagger. by two ladies, and asked for the prividenergy to the whole system. "Mrs. Winslow's of ommercial paper and Farmers' I would eat in a week at home; and nice indeed, and insisted on me taking the taste and is the prescription of one of the old could eat every fifteen minutes in the off my socks and wringing them out, States. Price twenty-five cents a bottle. There are a few things, however

that I believe this trip will teach me that will be of great benefit. One is, there, and to stay at home when I have a chance. Another is to be contented to settle down to my profession. I can easily realize now why those fellows who came to Sau Francisc with their little fortunes left here. is the best place in the world to leave as soon as possible; and I can assure cabin which had been prepared. The Pale People. It seems necessary to you that as soon as I can make any cabin is 14x16 inside and is made very again impress upon the public the fact reasonable sum I will get out of here. pretty good chance to prospect this winter, but without it our chances are slim. We will surely, however, be able of the since landing from the Pink Pills for Pale People." Pills offerto make a living in some way this winter, so you need not worry about line. If we can make enough to keep on the sleep. Next day, Nov. 2nd, line and line an 118. If we can make enough to keep Mr. Robinson got in with the other be refused. The Dr. Williams' Medi. living, and also to buy us an outfit be boat on which were Frank and Jim, and cine Co. will be glad to obtain (in confore spring, we will not be home in the I found Al. all right when I arrived, but fidence) the name of any dealer offering spring if prospects are good. Of course feeling very blue at the prospect, and for sale an imitation of their pills, as it is hard for me to say now what we learned that the two boys here were the company is determined to protect will be able to find something definite, very different from those with whom the public against this species of fraud. and the probabilities are that this let. bashful in letting him know that they ter will not get off until after that time. wanted to get rid of him at the earliest If such be the case, and my pencil and possible moment. It did not take me throat of her mulatto lover, Charles I must stop, now, and go and chop some correct, one. I at once started out to is getting cold, and it is my turn to chop to day. Thank God there is lots! of wood around.

see the necessity of us boys getting out Well, I have chopped my wood, and and told them of our predicament, and we have enough piled up in the tent to last all night and for breakfast to.

was informed that they had no clothes Woodgate, the commander of a British or food at any price; and that although West African force, which has just the loss of three morrow morning. In addition to this we have all three—Robinson, Gable nothing. I then went to the North men killed and five wounded. and myself—had a bath. Think of it! American T. & T. Co. and Healy's with a big dish pan (the one we make mon beggar would be treated. Never attending county Model schools. bread in) of warm water, soap and a in my life did I feel so chagrined, and this innovation causes scarcity rag, gave ourselves a thorough going never more despondent.
