MILTON, DEC. 1, 1898

THE Conservatives of East Welling. ton filed a petition on Teusday against the return of Hon. J. M. Gibson as member of the Ontario Legislature for that constituency. The usual charges are made, and one which is out of the ommon run, viz., that Mr. Gibson or an agent was guilty of bribery in in. ducing James Park, a candidate, by a corrupt offer, to retire and refuse non nation. It is said that the return of Hon. John Dryden for South Ontario will also be protested.

ed and repudiated the corrupt acts of his agents last March, which cost him his seat, and as his opponent, Col. Kerns, has expressed himself strongly on the same subject, it is to be hoped that the corruption for which Halton elections have long been notorious will not figure in the contest now in progress. Whether it will or not rests with the party workers. They are responsible for the county's bad reputation, for the supply of bribe takers is governed by the demand for them The bribe taker is contemptible enoug but what is to be said of the tempter the man who takes advantage of poverty of another to induce him sell his honor? Is he not the worse. the two? Let us have no more of him

LIEUT. COL. KERNS, after reserving his decision until last Saturday, accepted the nomination of the Conservatives of Halton as their candidate in next Thursday's bye election for the Ontario Legislature. The contest promises to he a hot and close one. Meetings are being held in every part of the county on behalf of both candidates, and are being addressed by a number of the most prominent political speakers of
