THEY ARE IN THE WAY.

No more Boys' Clothing sold in this store after March 1st. Men's Clothing only—ready-made and made-to-order—will be my business

But "one story at a time," as the man said when he fell cut of the fourth story window. Its Boys' Clothing just now. I have about eighteen hundred garments in boys' sizes sizes, for ages 4 to 18—Short Pants and Long Pants Suits, Overcoats, Ulsters, Reefers, Odd Vests and Odd Pants.

You have never had—since I started business here—such an opportunity to buy boys' clothes at such prices.

With nearly two thousand garments to select from, and every garment marked in plain figures, where is the use of a price list. Let it suffice for me to say that I am going to drop some money on this stock and will drop it quick—in a few days—then the worry will be done with, rather than dribble it out for months.

## Big Boys' Long Pant Suits,

That have been selling from \$3.50 to \$10, will now go for \$1.75 to \$6.75. Now, just think of getting a big boys' suit, ages 12 to 18 years—coat, vest and long trousers-for \$1.75 or \$2 or \$2.50. Some of the patterne in these cheap lines are not up to date, but think of the price.

## Boys' Storm Ulsters.

These are all new, or as good as new, not a coat being in our stock previous to last September. Sizes to fit boys of 5 to 16 years. Long, warm Ulsters, with storm collars, lots of pockets and the best value in Hamilton this winter at from \$2.75 to \$6.50, to go now at \$1.85 to \$4.85. Boys' Reefers.

Only about twenty five of these, but they are nice ones, for ages 5 to 12 years. Prices \$1.25 right up to \$6 50, to clear now at 94c to \$4.50.

Boys' Knickers. About 300 pairs, all kinds and qualities. The pries
