Whiskey and Water.

Some years ago there were stationed at Malta a company of Royal Engineers and owing to the great increase drunkenness in the company the com manding officer issued an order to the effect that any sapper attempting to bring drink in from the town would be stopped at the entrance gate, and the liquor confiscated. About this time the water at the barracks was condemned by the medical authorities, and it had to be procured from the town. One the sappers—an Irishman Some men try just as hard to avoid hit upon a plan by which to elude the viligance of the sergeant on guard. One day he sallied out with a pail in each hand, for the supposed purpose of bringing in the water. On returning with his two pails full he was stopped at the entrance gate by the sergeant on guard "What have you in the pail Pat?" said the sergeant. "Wather, said Pat. "But what is that sticking out of the water?" said the sergeant, Pat appeared nonplused, for in each bottle, with the neck of each protuc ing above the liquid in the pails. "Faith you're too much for me, sergeant," said Pat, as he handed the two bottles of water, labelled "Whiskey" to him and sorrowfully picked up the pails filled with whiskey and walked into

Two small Fifeshire farmers were great chimis. Both were fairly well provided with the gear, as times went. and one night over their cups, after repeatedly swearing eternal friendship they made a compact that if either of THE them died the survivor would inherit FINEST TEA his wealth. The elder, whether by IN THE WORLD re son of the liquor he had swallowed or because he had singular notions, made a special provision that if he was the first to go his friend should place which promised specially well for him the younger at last consented. long after the elder man died, and was sold in bulk. It was generally known what bargain had been made, and on the way back from the funeral an inquisit ve friend pumped the survivor to dis cover whether he had really acted up to his strange stipulation. "Mou. lock," he said, "you was an awful mad-like bargain tie mak wi ony mou Surely ye wasna sich an idiot as tae dae it?" "Weel, ye see, answered Jock "if poor Sandy was sae guid as tae leave his gear, I couldn't verra weel dae otherwise than as he asked." "Au did ye put ten pun in the coffin, Jock? 'Ou, ay," replied Jock "Hoot, mon if ye let it be kenned his banes wull niver rest easy. But did ye pit in goold or notes?" "Na, na, answered Jock,

Lumberman's Protest.

"I jist gied him a checque for't."

Detroit, April 20 .- Alan Hamilton o Bay City, writing to The Detroit Tri bune, says; -"I see by the despatch from Toronto that Thomas Pitts reiterates there the idle threat put forth by Don M. Dickinson, to the effect that the import of Canadian lumber into the United States is to be prohibited. Any body with a spoonful of brains knows woodworking establishments, and such have the effect of adding to the thirty crippled sawmills mentioned by Mr. Pitts, the box factories, planing mills and lumber yards on the Saginaw River. The editorial in last Saturday's Toronto Globe and the statement of Hon. Mr. Gibson, Commissioner Crown Lands, acting Premier of Ontario, show no indication of a backdown there, and as far as I can see, this proclamation is the last dying speech and confession of John T. kich & Co. whose blundering and whose utter lack of infer nation and capacity during the special session of 1897 at Washington are alone responsible for the present troubles of the Saginaw River and east
