hat About That Suit? IMMENSE WARIETY.

Your new spring suit is almost certain to attract attention and to meet with the approval or disapproval of some lady friend-mother, sister, or some other fellow's sister, perhaps. The ladies are quick to notice the new things for spring wear. Don't give your lady friends an opportunity to laugh at your selection, don't give them any reason to think that your suit is a "hand-me-down." Let the material be of a quality that will stand inspec. tion; see that the suit is fashionably cut and well-made, and it will please the most critical of your friends. IF YOUR SPRING SUIT is selected from our beautiful

range of fine materials for men's wear, it will be fashionable; if we make it, it will be well made. Our suits are correct in every particular and the values we offer this spring will startle you.
