Mr. Hemstreet then decided to Cake, donor to receive cake. give them a trial; he first got one box, then three, then half a dozen, and took them regularly. No very marked effects, he says, were noticeable, but with characteristic persistence he purchased a further supply. By the time twelve or thirteen boxes had been taken, he felt that new blood was coursing through duties his business calls demanded. Special prize not to count. "For a year I continued to take the pills," he said. 'I knew I was regaining making the most points in Fine Arts and Ladies' Work Classes; the 1st prize to my old time strength and good health. count 4 points and the 2nd prize 2. and I was determined the cure should be complete and permanent, and I give them the credit for making me the new man that I feel myself to be to-day, As evidence that my recovery is complete I donor to receive apples. have only to state that this spring I have conducted a number of auction sales in the open air with perfect ease and with entire satisfaction to my clients.

"I am as much averse to making personal matters public as any one could possibly be, but my long continued illness was so widely known and my recovery has been so marked and satisfactory that I feel that I owe a debt of gratitude to the simple but effective remedy which cured me, and this is why I thus acknowledge it, as well as to show to those who are up in years and in illhealth what Dr. Williams's Pink Pills did for me.'

Dr. Williams's Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark, Dr. Williams's Pink Pills for Pale People.
