THE MOLINEUX VERDICT. Molineux has money; therefore the lawyers have hope.-Chicago Record. Molineux's case is one instance where a man's family connections failed to save him from a conviction on the charge of murder.-Detroit Tribune.

Molineux has had a fair trial among an unprejudiced people. The result is a noteworthy vindication of the weight and value of circumstantial evidence under modern methods of judicial administration and practice.-Philadelphia Record Apparently Molineux is regarded many persons in New York, lawyers as well as laymen, as a defendant who was probably guilty of the crime imputed to him, but whose guilt had not been proved so conclusively as to justify conviction of murder in the first degree.-Baltimore
