A Department Story. It was during the Spanish-American war. A wealthy merchant, who had left his business to offer his services to his country, was pacing up and down on picket duty one dark night. Suddenly he detected sounds of approach-

ing footsteps and, quickly bringing his gun in position, commanded in a sonor-"Give the countersign!" The person challenged proved to be an enlisted dry goods clerk formerly employed by the merchant before the war broke out. As their eyes met a smile played around the corners of the clerk's mouth, and he answered in a low whisper:

Then the merchant, bringing his plece to a right shoulder, let him pass and resumed his pacing.
